**NOTICE TO PRINCIPAL IS NOTICE TO AGENT
NOTICE TO AGENT IS NOTICE TO PRINCIPAL**

BE IT KNOWN BY ALL:

1. That I am a living flesh and blood woman, known since I can remember by my
birth name of Debra Miller. Upon my marriage I became known as Debra
McCabe. I am told and have always believed I was born ~~September 17, 1954~~ in the

sovereign Republic of California. I am the legitimate daughter of parents who gave me the name Debra-Michelle and I am of the Miller family. I presently live upon the land of the sovereign Republic of Ohio where I make my home and am domiciled. I am of lawful age and fully capable of managing my own affairs. I exercise my right to define myself as one of the people and their posterity referred to in the Preamble to the 1787 Constitution for the united States of America, and as an Ohioan, meaning a freeman who inhabits and is domiciled in Ohio and from which republic I define my legal and political status. I hereby further define my political and legal character as follows:

2. I hereby give notice to all in the world that I am not a legal fiction 14th Amendment "person" or "citizen" of the UNITED STATES Federal corporation previously referred to at 28 U.S. Code Sec 3002(15) or any other federal corporation . I am therefore giving Notice that no corporate bylaw called "statute", "rule", "order", or "code" that applies to legal fiction "persons" or UNITED STATES citizens can apply to me without my consent.

3. I am not a legal fiction "citizen", "person", "resident" or employee of the entity variously known as UNITED STATES, united States of America, United States of America, or UNITED STATES CORPORATION COMPANY, STATE OF OHIO, or STATE OF CALIFORNIA, the *situs* of all of which is Washington, in the District of Columbia, nor of its subsidiaries, affiliates, franchisees or contractors, whether or not known by other names and legal fictions. I am therefore not subject to Congressional enactments unless I specifically consent to be so subject after full and fair disclosure. I do not so consent.

4. I am not an estate, chattel property, a transmitting utility, a British or Vatican subject, employee of the STATE OF OHIO or of any other corporation purporting to do business as part of government. I am not a *cestui que vie* trust, a vessel, lost or misplaced cargo, a corporate fiction "person", a corporation, a ship, a dead body, a patient, a client or a slave.

5. I am not the all caps name created by the certificate of live birth, which appropriated my infant identity without the informed consent of either of my parents, thereby perpetrating a fraud against them and me. Their signatures on the Certificate were extracted by means of duress exercised against my unsuspecting parents. Nor am I any variation of the legal fiction all caps name created by means of the Certificate of Live Birth, including without limitation, DEBRA MICHELLE MILLER, DEBRA MICHELLE MCCABE, DEBRA M. MILLER, DEBRA M. MCCABE, DEBRA MILLER MCCABE, and others. Any and all assets related to, or created under, any of said legal fiction names, by men and women unknown to this affiant, impose no liabilities upon me, the living woman. I am entitled to a full accounting from any such men and women who may currently and/or who have in the past, generated income without my informed consent by means of said legal fiction names.

6. I reserve my right to choose when to be and when to not be in contract with a corporation. *Merrion v. Jicarilla Apache Tribe*, 455 U.S. 130, 144-148 (1982) ("to presume that a sovereign forever waives the right to exercise one of its powers unless it expressly reserves the right to exercise that power in a commercial agreement turns the concept of sovereignty on its head.")

7. I also hereby reserve my natural common law right not to be compelled to perform under any contract that I did not enter into knowingly, voluntarily, and intentionally. I do not accept the liability associated with the compelled and pretended "benefit"* of any hidden or unrevealed contract or commercial agreement. As such, the hidden or unrevealed contracts that supposedly create obligations to perform, for persons of subject status, are inapplicable to me, and are null and void. If I have participated in any of the supposed "benefits"* associated with these hidden contracts, I have done so because of threats of violence, under duress, and/or for lack of any other practical alternative. Any such participation does not constitute "acceptance" in contract law, because of the absence of full disclosure of any valid "offer," and voluntary consent without misrepresentation or coercion, under contract law. Without a valid voluntary offer and acceptance, knowingly entered into by both parties, there is no "meeting of the minds," and therefore no valid contract. Any supposed "contract" is therefore void, *ab initio*.

8. I do not recognize that the *de facto* corporate government or its contractors have the authority to amend or repeal the protections of the Holy Bible, Magna Carta, Declaration of Independence, the 1787 Constitution for the united States of America, the 1781 Articles of Confederation, or of the Ohio Constitution.

9. As a free and living woman, living under the common law in reverence and obedience to the Lord God Almighty, to secure the blessings of liberty to myself and my posterity, to define my legal and political rights, and to re-acquire my birthright as a member of the body of "We the People", I hereby asseverate, repudiate, renounce, rescind, disavow, and and revoke my Citizenship, if any ever existed or which I may have inadvertently acquired, by any scheme, with the legal fiction known as the UNITED STATES Government (Corporation).

10. I reserve my natural common law right not to be compelled to perform under any contract that I did not enter into knowingly, voluntarily, and intentionally. And furthermore, I do not accept the liability associated with the compelled and pretended "benefit"* of any hidden or unrevealed contract or commercial agreement. As such, the hidden or unrevealed contracts that supposedly create obligations to perform, for persons of subject status, are inapplicable to me, and are null and void. If I have participated in any of the supposed "benefits"* associated with these hidden contracts, I have done so under duress, due to threats of violence, for lack of any other practical alternative. Any such participation does not constitute "acceptance" in contract law, because of the absence of full disclosure of any valid "offer," and voluntary consent without

misrepresentation or coercion, under contract law. Without a valid voluntary offer and acceptance, knowingly entered into by both parties, there is no "meeting of the minds," and therefore no valid contract. Any supposed "contract" is therefore void, *ab initio*.

11. Any who wish to challenge the facts or conclusions set forth hereinabove must do so by responding to this Notice with a verified Affidavit by a man or woman with first-hand knowledge of any of the facts set forth hereinabove, within 30 days of last publication delivered by U.S. certified mail to Tara Browning as follows:
