PETITION FOR JUDGMENT

ON DEFAULTED CLAIMS

)

I. COMES NOW the above named Claimant, Katherine Hine, and states as follows:

1. Attached Exhibit A includes without limitation, true and correct copies of a series of three (3) Notices served upon the above named Respondents, along with affidavits and exhibits demonstrating that each Respondent was served at least twice and in most instances 3 times with each of said Notices.
2. The aforementioned series of three (3) Notices, with affidavits and exhibits, marked as Claimants' Exhibit A, attached hereto, also includes affidavits establishing that Respondents failed to respond at any time as instructed, or at all.
3. The facts set out in the Notices, all of which are supported by affidavit, demonstrate that Respondents are all agents of the corporate tribunal doing business under various legal fiction corporate names including without limitation, COUNTY OF ROSS, STEVEN

MADDUX,LLC, THE SUPREME COURT OF OHIO, CUTRIGHT & CUTRIGHT, LLC, FIRST CAPITAL TITLE AGENCY, SCIOTO VALLEY TITLE AGENCY LLC, TREUBHCUMHACHD, LLC, CITY OF CHILLICOTHE, ATTORNEY GENERAL OF OHIO, UNITED STATES POSTAL SERVICE, OHIO, STATE OF, and STATE OF OHIO, said corporations bearing various Dun & Bradstreet identifying numbers as set out in the first four pages of the first Notice contained in Exhibit A attached hereto.

4. All Respondents have failed on multiple occasions to dispute any of the verified facts stated in Claimants' notices, as confirmed by the Affidavits of Non Response included in Exhibit A. Respondents have all, either individually or by agent, had three (3) ample opportunities to do so but have failed to respond in any manner, despite multiple notices that failure to respond would result in judgment against them. Supplemental Respondent Harris, named subsequently to the originally named Respondents, was initially served as one of their agents or contractors.

5. The attached Exhibit A constitutes Claimant's irrefutable proof that none of the Respondents denied any of the allegations contained therein and thereby are in default as defined in the Notices.

6. Exhibit A establishes that no Respondent has any subject matter jurisdiction or other authority to interfere in any manner with Claimants' ownership of the private property land. Said ownership interest in said private property land and the errors in Respondents' records was originally explained to Respondents and their predecessors per Claimants' September 15, 2021 Notice delivered to them that date, showing Claimants' true ownership of the land that Respondents have been coveting. Nonetheless Claimants threatened to steal, demand extortion fees, and commit armed kidnapping and false imprisonment upon Claimants and their tenants or guests by means of a letter from Respondent Gee dated January 25, 2024, attached to the May 19, 2024 Notice.

7. The May 19, 2024, July 16, 2024, and August 23, 2024 Notices, each supported by affidavit, establish the fact that none of Respondent men and women have any authority over Claimants since Claimants indisputably remain people who have entered into no contract with Respondent men and women and who have caused no harm, loss, or injury to anyone, nor have Claimants even been accused of having contracted with Respondents or harmed or endangered anyone. Respondents have all chosen to refuse to rebut Claimant's claims.

8. The affidavits contained in Exhibit A attached hereto establish that Claimants and Respondents, by Respondents' refusals to respond and by their repeated threats against Claimants, in spite of their admitted lack of authority to do so, created a Binding Contract between Claimants and Respondents by which Respondents agreed to be liable according to the terms set out in the May 19, 2024 Notice.

9. The verified facts established by the attached copy of Exhibit A, and never refuted by any Respondent, despite multiple opportunities to do so, are set forth in Items III (A)-(F) of the May 19, 2024 Notice, and are superficially but accurately summarized as follows:

a. Respondents initiated an extortionate threat against Claimants' land in January, 2024 in which Respondents demanded a specified quantity of Federal Reserve Notes, based on a false claim of a debt allegedly based on taxes;

- b. Respondents claim no ownership interest of their own and admittedly are unable to verify that Claimants or their agents, contractors or principals owe Respondents or their agents anything;
 - c. Respondents admit that even if they were owed any debt, that while acting as agents of the corporate STATE, COUNTY, or any subsidiary of same, they and their agents and contractors are prohibited by Article I Section 10 of Respondents' 1787 Constitution from demanding anything but gold or silver as payment for any such debt;
 - d. Respondents admit that they seek to use false claims of debt accompanied by violence to either enslave Claimants or force them into idolatry, contrary to their own corporate statutes, codes, and Constitutions, as well as contrary to the Word and Law of God;
 - e. Respondents, including Supplemental Respondent Harris, an agent of Respondents' corporate security known as "military", admit that neither they nor their agents, contractors, or principals have any lawful authority to use weaponry when acting for the interests of their corporate principals and therefore agree to surrender such weaponry to any member of the public, or to any enforcement agent of the Ohio Circuit Court of Record, upon demand.
10. Respondents have admitted on three (3) occasions after being personally served with Claimants' claims as set forth in the Notices contained in Exhibit A, that Claimants are entitled to compensation from each Respondent in the amount of \$500.00 per day from February 12, 2024 until date of judgment and an additional \$100,000.00 judgment against each Respondent individually, as compensation for harm inflicted upon Claimants as of the date of filing this Petition.

II. STATEMENT OF THIS COURT'S JURISDICTION

1. When the original organic 1787 Constitution for the united States of America referred to "law" it referred to common law, not to corporate bylaws. Under common law, and as acknowledged even in the corporate system, for every right there must be a remedy. Claimants claim rights under the Creator as free people living or domiciled on the land of Ohio, the original republic. Respondents, by their own admissions, also are living flesh and blood people living on the land of Ohio, the original republic. As living souls, Claimants claim their rights to a court of record, which according to admissions contained in Black's Law Dictionary (4th), is one that administers common law, not corporate bylaws called statutes, codes, regulations, and ordinances. The corporate tribunals falsely calling themselves "courts" have no authority to subject any living soul to their private enactments applicable only to legal fiction "persons". This Ohio Circuit Court of Record meets Respondents' Black's law dictionary definition of "court of record" because it is a court comprised of individually sovereign men and women. It applies common law and equity consistently with the golden rule Law of God. True law applies only to living people, acknowledges the right of all to live without being subjected to harm so long as each man or woman harms no one else, and honors all contracts between people based on mutual consent without coercion, and after full prior disclosure of all material facts.
2. The Ohio Circuit Court of Record is a common law court and tribunal comprised of Ohioans who have each rebutted the presumptions created by the corporate state's birth registration bylaws, the presumption of being a slave or asset of the corporate state, and who have rescinded any registrations they may have unwittingly signed during the time that they

were deceived as to the corporate nature of the “elections” Respondents agents have been

operating. Unlike the current corporate tribunals, the Ohio Circuit Court of Record is capable of adjudicating common law claims between living men and women who live on the land, not on the seas. Unlike the corporate tribunals which employ Respondents, this Court is not a corporation, has no profit motives, and does not administer corporate bylaws called statutes except as to living people who agree that said bylaws apply to them. Most significantly, this Court has authority also under God’s law, admitted by Respondents’ predecessors to be sovereign in Respondents’ Declaration of Independence and in Respondents’ Congressional Resolution 97-280. The members of this Court have taken sacred oaths to apply the common law and the law of the Creator to all living men and women. Members of Respondents’ corporate UNITED STATES SUPREME COURT conceded almost two hundred years ago:

“The judgment of a court of record whose jurisdiction is final, is as conclusive on all the world as the judgment of this court would be. It is as conclusive on this court as it is on the other courts. It puts an end to inquiry concerning the fact, by deciding it.” *Ex parte Watkins*, 28 U.S. 193, pp. 202-203 (1830)

The rights conceded to exist once, continue to exist. Claimants’ right to have their claims of harm at the hands of the Respondents adjudicated in such a court of the republic in which they are domiciled cannot be infringed.

III. REQUEST FOR SPECIFIC RELIEF FROM THE COURT

As a matter of law and equity and in order to assist Respondents in mitigating their liabilities, Claimants further request that this Court of Record issue Judgment and make orders and findings as follows and as are consistent with their verified claims already defaulted upon and based on the parties’ Contract resolving all matters in dispute, set forth according to the Fee Schedule contained in the May 19, 2024 Notice contained in attached Exhibit A. Wherefore, Claimants request the following specific relief:

A. An Order to issue forthwith enjoining all Respondents either directly or indirectly through agents, from further communications, publications, or other acts threatening the use of violence based on demands for payment as Respondents threatened in their January, 2024 communication, or otherwise.

B. An Order issued forthwith requiring all Respondents to surrender on demand their firearms to any member of the public or enforcement agent of the Ohio Circuit Court of Record.

C. Monetary Judgment based on Respondents’ extortionate acts threatening trespass, assault, robbery, and embezzlement, all as set forth hereinabove, in the sum of \$500.00 per day per Respondent since Claimants have become aware of same, on or about February 12, 2024. Each aforementioned Respondent shall be individually liable for said daily sum of \$500.00 United States Dollars, said sum to be due and owing by each said Respondent, his or her agents and principals, upon any finding or judgment of liability.

D. Monetary Judgment for past harm based upon Respondents' acts of common law trespass, extortion, assault, attempted theft, battery, robbery, conversion, and/or embezzlement against Claimants, based on the parties' agreement that Claimants are entitled to judgment in the further sum of \$100,000.00 United States Dollars against each said Respondent. One United States Dollar is defined herein and by the Acts of 1792 and 1900 as being 24.8 grains of gold or 371.25 grains of silver Coinage.

E. It is understood that the within Fee Schedule applies to all Respondents as living men and women, not as corporate actors or legal fiction persons.

F. In the case of failure to pay any judgment or observe any injunction within thirty (30) days of entry of any such Judgment, Respondents having each agreed that his or her property wherever situated is subject to lien, including judgment liens, levy, distraint, distress, certificate of exigency, impound, execution and all other lawful, equitable, and/or commercial remedies and that Respondents themselves are subject to sanctions for contempt for failure to observe any provision of this Court's Judgment and/or in the event of post-judgment threats against Claimants.

G. Respondents should also be prohibited from directly or indirectly seeking recoupment of losses incurred due to any terms of this Contract, from their customers. Respondents will be absolved of all liability, including all outstanding amounts billed, upon payment of all sums required herein and as defined herein and upon the actual termination of further acts of trespass, extortion, embezzlement, assault, robbery, or conversion.

H. CRIMINAL LIABILITIES: Respondents should each be sentenced to such term of house arrest or other term of incarceration as the members of the Ohio Circuit Court of Record may determine to be appropriate, taking into account Respondents' compliance with the other portions of the petitioned for Judgment, including without limitation, Respondents' compliance with the Order for surrender of all weapons.

C. DISAGREEMENT & FAILURE TO RESPOND: Respondents may disagree with any of the specific terms of the Notice or facts stated therein by stating a verified claim or affidavit rebutting the facts of this Notice, line by line and with particularity. Each Respondent and Claimants agree that a response which is not verified, or a response from a third party man or woman lacking first-hand knowledge of the facts, will constitute that Respondent's “failure to respond” as defined herein. If a Respondent fails to respond or state a claim by the indicated Effective Date, the facts and law stated within this Notice will become binding and fully enforceable in a common law court of record or in a *de facto* corporate tribunal as the undersigned may select.

D. OFFER OF IMMUNITY—STATING A CLAIM: Any Respondent may avoid all liability and obligations under this Notice by simply responding no later than by 5 p.m. Eastern Time on the Effective Date with a notarized Affidavit or sworn declaration signed by a witness with personal knowledge of the facts contained in said Affidavit or sworn declaration and which rebuts any fact contained herein or proves any claim any man or woman having actual knowledge may have against Claimants or any one of them. Said Affidavit or declaration must be sworn to be true, the affiant's signature witnessed by at least two witnesses, and be supported by certified factual evidence and verified proof. Alternatively, Respondent may respond with a point-by-point rebuttal of the facts contained in this Notice, sworn to be true by a man or woman with actual personal knowledge of the facts, and to which he or she attaches certified factual evidence. In the event any Respondent declines this good faith Offer of Immunity, said Respondent agrees with all terms, facts, statements and provisions in this Notice and any obligations created hereunder.

E. TERMS OF RESPONSE: As with any administrative process, each Respondent may rebut the statements and claims in the Notice herein by executing a verified response, point-by-point with evidence that is certified to be true and in affidavit form, correct and complete, to be received by Oxana Khranova at the address indicated at Paragraph I(I) hereinbelow, no later than 5:00 PM on the Effective Date.

F. FAILURE TO RESPOND: The term “failure to respond” means Respondent failure by the Effective Date to respond to this Notice or the providing of an insufficient response, as the term “insufficiency of response” is defined herein. The above Respondents agree that failure to respond conveys his or her agreement with all of the terms and provisions of this Notice.

G. INSUFFICIENCY OF RESPONSE: The terms “insufficiency of response” and “insufficient

response” are defined to mean a response which is received by the Effective Date but which fails to specifically rebut, line by line, any of the established terms, provisions, statements or factual claims in the Notice, or offers blanket denials, unsupported rebuttals, contains inapposite rebuttals such as “not applicable” or equivalent statements, includes declarations of counsel and/or other third parties lacking first-hand knowledge of any material facts pertaining hereto, attempts to rebut without verification or an equivalent level of risk or fails to exhibit supportive evidence certified to be true, correct and complete under full commercial liability. Respondents agree that any such response is deemed to be legally and lawfully insufficient to rebut the established statements in the verified Notice, thereby conveying Respondent’s agreement with all of the terms and provisions of the Notice.

H. TACIT AGREEMENT: Respondents may admit the truth of all statements and claims in this Notice by simply remaining silent. The parties herein agree that failure to respond or insufficiency of response as defined herein constitutes agreement with all terms, provisions, statements, facts and claims in this Notice. When circumstances impose a duty to speak and one deliberately remains silent, silence is equivalent to an admission. Any Respondent may also consent to the terms of the within Notice and offer and be deemed to have admitted to all statements and claims in this Notice by his or her conduct, including without limitation continued acts or threats against Claimants or their land; by any entry or other trespass upon Claimants’ land or other private property, or by any use of fictitious corporate process directed to seizure of Claimants’ private property land.

I. EFFECTIVE DATE/RESPONSE: Response must be received by the effective date, which is ten (10) days from the date of receipt of this notice. **Response must be by U.S. certified mail, return receipt requested and by restricted delivery to:**

Oxana Khramova
[c/o] 1701 Sixth Avenue North
Menomonie, Wisconsin [near 54751].

II. CONSEQUENCES OF FAILURE TO RESPOND

A. FAILURE TO RESPOND DEFINED: The term “failure to respond” means Respondent failure by the Effective Date to respond to this Notice, or an attempted response that is “insufficient” as that term is defined herein. Respondents agree that failure to respond, i.e. silence, conveys his or her agreement with all of the terms and provisions of the Notice.

B. INSUFFICIENCY OF RESPONSE: The terms “insufficiency of response” and “insufficient response” are defined to mean a response which is received by the Effective Date but which fails to specifically rebut, line by line, any of the established terms, provisions, statements or claims in the Notice, or offers blanket denials, unsupported rebuttals, inapposite rebuttals such as “not applicable” or equivalent statements, declarations of counsel and or other third parties who lack first-hand material factual knowledge, and/or any rebuttal which lacks verification or an equivalent level of risk or fails to exhibit supportive evidence certified to be true, correct and complete under full commercial liability and acknowledging the applicable penalties for perjury. Respondents agree that any such response is deemed to be legally and lawfully insufficient to rebut the established statements in the Notice, thereby conveying Respondent’s agreement with all of the terms and provisions of this Notice.

C. SELF EXECUTING CONTRACT: Upon your failure to respond or by engaging in specified

conduct as defined hereinabove, the contract offer contained in this Notice will be considered to have been accepted, thereby resulting in an instantly self-executing contract. Respondents agree to be bound by all of the terms of the Contract commencing on the date of final default.

D. NOTICE OF DEFAULT: Claimants acknowledge that Respondents may be entitled to a Notice of Default. In consideration, Respondents agree to accept a Notice of Default as a Binding Contract certifying Respondents' agreement with all terms offered in said Notice providing Respondents an opportunity to state verified facts explaining any prior default(s). Upon final default, Claimants will thereupon seek Judgment incorporating all the terms and conditions of said Binding Contract, based on Respondents' waiver of the right to respond, by which waiver, Respondents and Claimants agree to be individually bound in perpetuity by any and all such Judgments adopting the terms of said Contract.

E. BINDING JUDGMENT AND HOLD HARMLESS AGREEMENT: Any Respondent failing to respond as defined herein agrees that a Binding Judgment incorporating all of the terms of the within Contract may be entered by any common law court and/or administrative tribunal, at Claimants' exclusive election. Any such judgment is entitled to full faith and credit by the agents of any other court or corporate tribunal. Claimants may elect to enforce the Contract or any Binding Judgment arising from it through a common law sheriff, deputy or other law or corporate code enforcer who has taken an oath to support the 1787 Constitution and the law of the most high God. Any Respondent who fails to respond as defined herein agrees to waive any and all claims he or she may have against the members of any such common law court or against any of the aforementioned common law sheriffs, deputies or other law or corporate code enforcers who have taken an oath to support the law of the most high God, which claims may hereafter arise in connection with the enforcement of the Binding Judgment referred to herein. Respondents agree to hold any such enforcement agents harmless for any acts performed for the purpose of, or incident to, the enforcement of said Contract or Judgment arising therefrom.

F. THIRD DEFAULT/ACCEPTANCE BY CONDUCT: Upon a third default, or in the event of acceptance by conduct, Respondents will be determined to have met the qualifications of Matthew 18:17 and may be treated as set forth in that passage. Consequently, upon said third default, the facts set forth herein will be deemed admitted not only by a preponderance of the evidence, but also beyond a reasonable doubt, all consistently with the law of God and the common law of man. In such event, each Respondent agrees that he or she will in that event have waived his or her Fifth Amendment rights, if any, to the issuance of a presentment or indictment by a grand jury.

III. ABSENCE OF AUTHORITY TO TRESPASS ON CLAIMANTS' LAND, ABSENCE OF AUTHORITY TO IMPOSE TAX OR ACT AS A COURT

A. SUMMARY OF FACTS

(1) On or about January 25, 2024 Respondents Gee and Arnold caused delivery of a threatening letter to an address where Claimants receive mail. (attached Exhibit A).

(2) Part of the threat contained in Exhibit A includes a demand for tender of some \$10,675.09 in Federal Reserve Notes in connection with a debt Respondent Gee claims.

(3) On or about March 20, 2024 Claimants caused hand delivery of a letter of inquiry to an agent of

Respondent Gee. (attached Exhibit B).

(4) Claimants' agent, Oxana Khramova, received no response to Claimants' March 20, 2024 letter of inquiry, although Exhibit B specifically provides Respondent Gee with instructions for how to do so.

(5) Notwithstanding service of Exhibit B upon her, Respondent Gee has failed or refused to provide any of the requested documents establishing either (a) the existence of a contract between herself, or her agents or principals and Claimants or their agents or principals; (b) documents establishing any legal or lawful interest that Respondent Gee, her agents, principals, or contractors have in the land and fixtures that Gee threatens to "foreclose" upon; or (c) verification of the debt Respondent Gee claims.

(6) Claimants are people who have assembled to form a common law private membership association to help abused children. Claimants also serve people who work in the building affixed to Claimants' private property land and support the work being done there by members of the common law private membership association, Ohio Network for Children, pma and of the Ohio Circuit Court of Record. Claimants are all creations of God, not of Respondents, or of the legal fiction corporations or legal fiction "persons" for which Respondents may claim to act.

(7) Respondents administer corporate policies known as statutes, codes, and constitutions, which they falsely refer to as law. The operation of any legal fiction, such as a corporation, is based on the notion that its agents, owners, principals and contractors may harm others without incurring individual liabilities as people. A corporation serves no lawful purpose and is unrecognized according to either the common law or the law of God.

(8) Respondents aid and abet one another in the operation of private for profit corporations associated with them as set forth in pages 1-4 of this Notice, for the purpose of generating income by causing injury, harm or loss to people in the community. Respondents presume that each of them and their agents will individually have no liability for such harm in which some or all of them participate. Said presumption is incorrect. One of Respondents' criminal operations consists of purporting to impose "taxation" against land owned by the people of Ross County, Ohio, and the subsequent stealing of said land.

(9) None of the Claimants ever consented to any contract to pay "property tax" to any of the Respondents, their agents or principals after full prior disclosure to Claimants or their predecessors of all material facts. No such prior disclosures occurred.

(10) Claimants, their agents and principals, in fact owe no debt to Gee, her agents, contractors or principals. Respondent Gee has failed and refused to provide verification of any debt she or any of the other Respondents may claim, despite ample time in which to do so. Exhibit B.

(11) Respondents operate a corporate recording service for those agreeing to act as legal fiction "persons" and in which Respondents refer to the people's land as "real estate" and other corporate terms. Prior to September, 2021, any presumed "consent" by Claimants or any of them, to "record" whatever interests, if any, that the legal fiction entity known as CHILDREN'S NETWORK PROPERTIES, LLC ever had in Claimants' private property land, was meaningless because a non-existent legal fiction corporation can own no interest in private property land.

(12) Besides being meaningless and based on false presumptions, any attempts by Claimants to record any corporatized perversions of their interests in private property land with Respondents' private corporate record keeping service and any associated payments in connection therewith were induced by (a) active concealment of the corporate nature of Respondents' principals, (b) false statements by Respondents and their agents to the effect that private transfers of interests in land between people were somehow prohibited in the absence of recording, and (c) threats of violent retaliations, such as those expressed or implied in Exhibit A, from Respondents or their predecessors upon failure to submit to Respondents' extortionate demands.

(13) Claimants use no service of any value provided by Respondents. Respondents provide no actual goods or other services to Claimants and never have. Claimants already have all the benefits and services they wish.

(14) Respondents have never contributed any value or benefit whatever to Claimants, their building or to the land upon which it was erected, whether acting as individual men and women, in their various roles as legal fiction persons and fictitious "agents" of COUNTY OF ROSS, or in their other roles as "auditor" "treasurer", "prosecutor", "sheriff", "police officer".

(15) Despite their corporate affiliations, Respondents publicly pose as people with integrity subject to the superior authority of the most high God. "With God all things are possible" is prominently displayed in front of the Capitol building of Respondents' corporate STATE OF OHIO. The words "In God We Trust" are printed on the very same type of Federal Reserve Notes that Respondent Gee is demanding from Claimants. During 1982, members of Respondents' corporately affiliated Congress, consisting of other interlocking, private, for profit corporations affiliated with Respondents' principals, declared the Bible to be the Word of God (97 PL 280) and adopted the statement of Respondents' predecessor, Andrew Jackson, conceding that the Bible is "the rock on which our republic rests". Such statements and publicly displayed images are admissions against interest by Respondents' superiors and predecessors, binding upon Respondents. The most high God, Creator of Heaven and Earth, has written His laws on the hearts of the people. None can say they do not know. Hebrews 8:10.

(16) Displays of the Ten Commandments, the first written covenant made by God with His people, may be found at courthouses and in schools operated by agents of STATE OF OHIO. <https://www.nbcnews.com/id/wbna12387968>, and supported by Respondents' BAR member superiors and predecessors.

(17) According to admissions against interest made by Respondents' predecessors and superiors contained in Article I Section 10 of the Cabal's 1787 Constitution, Respondent Gee, as an agent of the corporate STATE, is prohibited from collecting anything except gold and silver, not debt instruments such as Federal Reserve Notes, as payment for any claimed debt. *Echart v. Commissioners* 42 F2d 158 (giving of an FRN does not constitute payment); *Fidelity Savings v. Grimes* 131 P2d 894 (use of FRN's are only promises to pay); *Rains v. State* 26 S.W. 766; *Fidelity Bank Guarantee v. Henwood* 307 U.S. 849 (1939)(repayment required to be only in kind).

(18) On or about September 15, 2021, following some sixteen years of open, continuous and exclusive use of their land, Claimants caused delivery of formal written Notice to Respondents Durn, Ward and Yost in person or by agent, to Respondents' predecessors Byers and Spetrnagle in person or by agent, and to a surviving agent of Respondents' predecessor, James Caldwell, informing them that

all right, title and interest that CHILDREN'S NETWORK PROPERTIES LLC had in Claimants' land, if any, had already been transferred by deed to Claimants as living people who had formed a common law private membership association. That Notice informed Respondents and their predecessors that the new deed would not be recorded or registered with the private corporate records of Respondents or their predecessors. None of the recipients of such September 15, 2021 Notice responded, except that Respondent Yost acknowledged receipt of same in writing.

(19) Since 2005, when Claimant Hine's now deceased mother, Mildred Hine, transferred the cash necessary to purchase the land Respondents now seek to steal, Claimant Hine and others have been using that land and its structures as places for public and Christian assemblies concerned with protecting abused children from being re-victimized or kidnapped by Respondents, their agents and predecessors. During the 1990's Claimant Hine's predecessors had been raising community awareness concerning the reluctance of Respondent Ward and his corporate agents, in the absence of such raised awareness, to protect abused children, or even to vindicate the murders, in different years, of at least two children in Ross County, Michael Hommes and Brittany Rapp.

(20) God's law prohibits Respondents' current efforts to steal the land from the heirs of Mildred Hine and to destroy the Godly work her gift has enabled Claimants to undertake on behalf of children and others seeking Godly and earthly justice. Mark 9:42; Ezekiel 46:18: "the prince shall not take of the people's inheritance by oppression, to thrust them out of their possession . . .".

(21) God created the land upon which Claimants' building was erected. People, not corporations, constructed the building. People, including Claimants, have kept it in a state of repair, and have ever since been using it to benefit the community's children and for honoring God through worship and applying His law.

(22) Neither Respondent Gee nor any of the other Respondents have a legal or lawful interest in Claimants' private property land and fixtures described hereinabove by metes and bounds. Only metes and bounds, not corporate identifiers, lawfully describe the land created by the most high God. "The earth is the Lord's, and the fullness thereof, the world, and they who dwell therein." Psalm 24:1 Holy Bible (KJV). Neither Respondents nor their legal fiction principals are capable of creating land. They are therefore incapable of correctly identifying it via metes and bounds and have instead resorted to using corporate identifiers. Such corporate identifiers are not the equivalent of metes and bounds descriptions, such as those referred to in the Holy Bible when describing either the land created by the most high God or the people's transfers of such land to one another.

(23) Since Respondents have no legal or lawful interest in Claimants' private property land, there is no interest upon which Respondent Gee could "foreclose", notwithstanding her threats to do so.

B. FACTS *RE* RESPONDENTS' IDENTITIES, POLICIES AND PRACTICES

(1) Respondents are men and women who operate one or more private, for profit corporations, while posing as agents or contractors of "government", as indicated hereinabove. Respondents ignore the common law and the law of God, instead administering corporate policies known as statutes, codes, ordinances or even Constitutional provisions. Such policies are not law, just policies for corporate agents and customers. Claimants are neither. There are no provisions of said corporate policy enactments that pertain to the notion of "property tax" and that also apply to living people, such as Claimants. All provisions of the Ohio Revised Code apply, according to their own terms, *only* to legal

fiction “persons”, not to Claimants, who are living people.

(2) When operating the corporations they claim as their principal(s), Respondents and their agents and contractors use all capital letter perversions of their own birth names and insist that others with whom they contract, do likewise. Claimants do not engage in this practice, nor are they required to do so.

(3) Respondents are not specially privileged or entitled beings. Respondents derive no divine rights as kings or other authority from the Almighty, to enslave Claimants or anyone else. Psalms 82. Respondents as individual people have no claim or ownership interest in the land belonging to Claimants. Yet Respondents propose to take it by force, causing injury or even death to Claimants and their associates at such time as Claimants exercise their God given and common law rights to defend said private property land belonging to them and not to Respondents.

(4) Respondents portray themselves as being the legal fiction roles they play, i.e. as “elected officials” or as agents of “elected officials”. Such designations are false and misleading, in part because of Respondents’ policy of secret voting. There is no evidence that any particular man or woman, acting as a legal fiction “registered voter” person, ever voted for any of said Respondents or their superiors. Without specific evidence that any man or woman openly, and with full accountability as a man or woman or even as “registered voter”, cast his or her vote for any of Respondents or their superiors, there can be no evidence that anyone in particular voted for any of the Respondents or for his or her superiors. Claimants are not registered voters or required to fund Respondents or their legal fiction entities.

(5) Some of the Respondents are required by their corporate policy enactments to swear oaths of office. Some of these oaths are missing. Others of the Respondents’ “oaths of office” are to the corporate STATE, not to the people. Some of the Respondents take oaths to other organizations that specifically and directly negate their oaths of office, if any. Said contradictory oaths include without limitation, the Kol Nidre, the Jesuit Oath of induction, and/or various Masonic oaths. The existence of such contradictory oaths do not lawfully excuse Respondents’ liabilities for common law trespass, robbery, extortion, embezzlement, battery, or threats of same. Besides contradicting Respondents’ oaths of office, if any, the Freemasonry oaths are inconsistent with the law of God, and express the expectation that members will treat other members with partiality. The dogmas of such secret societies influence corporate policies of Respondents’ principals.

(6) Respondents use the Federal Reserve Notes they demand from the people in the form of “taxes” without the knowledge or consent of Claimants or that of other land owners. Most if not all of said FRN’s are used to finance inefficiency, waste and interest on Respondents’ superiors’ debt. Respondents use or turn over funds collected from taxes to those who use those funds without the knowledge or informed consent of land owning people. Respondents use their own records of the corporatized descriptions of the people’s lands as pledged collateral for Respondents’ own debts and investments with affiliated corporations, also without the land owners’ consent. Respondents then provide no accounting for such appropriations of the people’s private property lands. Any use Respondents have ever made of Claimants’ private property land as collateral for their corporate transactions without providing an accounting was done without the consent of Claimants and constitutes common law embezzlement.

(7) The spending practices of Respondents, their principals and superiors have created debt that has

gone beyond being unserviceable, i.e. having interest payments incapable of being consistently maintained. Respondents, their principals and superiors are being charged usurious interest without the specific informed consent of Claimants or of other land owners. None of Respondents' superiors' debts or investments were incurred by Claimants, with Claimants' consent, or for Claimants' benefit.

(8) The website publicly attributed to Respondent Lehner's legal fiction person and the aerial photographs depicted thereon demonstrate that Respondent Lehner, his agents, contractors, or principals have failed to correctly record a photographic image corresponding to any private property land belonging to Claimants. Said website was created for the purpose of identifying the targets of Respondents' taxation schemes. <https://auditor.rosscountyohio.gov/Parcel?Parcel=305503041000>.

(9) Respondent Lehner and his predecessors failed and continue to fail to publicly demonstrate compliance with their corporate policy mandates known as Ohio Rev. Code Section 117.38(A) for the years 1990, 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2006, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2022 or 2023. <https://auditor.rosscountyohio.gov/Posts?category=Ross%20County%20Annual%20Reports>

(10) Respondents' principals claim to require an "independent audit" of the aforementioned financial reports but the most recent one done, for the year 2021, was "audited" by an agent of the corporately connected "Auditor of State". This "independent" auditor conceded that the "risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error" but offered no assurance on the effectiveness of Respondents' internal control relevant to the audit.

(11) Respondent Jeffers represents to the public that he is required by STATE OF OHIO'S corporate code to assign a value to, or to "appraise" assets which Respondents refer to as "real property", but admits that he regularly fails to do so. As of this writing there are no depictions of private property land belonging to Claimants being recorded on any of Respondents' websites. Respondents claim to use the services of other agents or contractors with such titles as "tax assessor", "property appraiser", "tax collector" "treasurer" and/or others. This Notice also applies to any man or woman, regardless of title, acting as agent, principal, or contractor of the named Respondents.

(12) Respondents' agents, contractors, and principals have established a pattern, custom and practice of committing common law armed assaults, batteries and extortionate acts in the course of generating or attempting to generate corporate revenue. Respondents claim Federal Reserve Notes and private property land from targeted landowners for the stated purpose of using the funds thus extorted to "protect" or "benefit" the targeted people, regardless of whether the targeted people seek or consent to such claimed "protection" or "benefit".

(13) One of the ways Respondents generate revenue for their corporate principals, is through the extortion of credits called Federal Reserve Notes from the people by means of Respondents' "taxation" schemes. Other sources of revenue come from Respondents' Court Registry Investment System maintained by the BAR member Respondents. Yet other sources of revenue include without limitation, such operations as Respondent DeWine's admitted participation in the mass poisonings involved in the recent pandemic hoax as set forth in the March 19, 2022 Judgment entered in *Plaster v. DeWine* <https://occr2021.com/wp-content/uploads/2022/08/22-CRF-001-Judgment-Entry-1.pdf>. Respondent DeWine continues to refuse to pay said judgment. In the guise of "child protection", or "public health" Respondents also use several of their principals' affiliated corporations to inject children and adults with neurotoxins, and subject them to kidnapping, forced drugging and

electroshock.

(14) Claimants are under no lawful obligation to participate in the funding of Respondents' crimes, investments, or secret societies, as set forth hereinabove. Nor are Claimants obligated to even indirectly help fund acts of mass murder and robbery against people of other lands, even when such acts are labeled as "warfare". Any such financial participation, even if Respondents extract same by force, could subject Claimants to their own financial and criminal liabilities as accomplices. Any such participation would also constitute a mockery of the Lord God Almighty. Galatians 6:7.

(15) Respondents have no lawful authority to coerce Claimants to submit to threats of armed robbery, under the guise of "taxation", or to financially support or to become unwilling accomplices to any of Respondents' crimes against others.

C. RESPONDENTS LACK AUTHORITY TO "TAX"

(1) Respondents' corporate superiors have admitted that taxation is a power that can only lawfully originate from a sovereign. *Merrion v. Jicarilla Apache Tribe* 55 U.S. 130 (1982). Neither Respondents nor their principals or superiors are sovereigns when acting on behalf of any legal fiction. Respondents' superiors and predecessors have long admitted that it is the people who are the sovereigns, sovereigns without subjects, and that it is the people who are the source of all earthly law. *Chisholm v. Georgia*, 419 U.S. 2 (1793), not those acting as legal fiction persons. Instead of paying taxes to a fictitious entity or its so called agents, Claimants have chosen to honor God by offering Him the first fruits from the land over which He gave them dominion. Genesis 1:26; Deuteronomy 26. Claimants are prohibited from worshipping God and corporate idols at the same time.

(2) Respondents, as well as their agents, employees, contractors, and principals, when acting in their roles as legal fictions, are not sovereigns. When acting privately, Respondents may have sovereignty over their own lives but not over the lives of others. To presume otherwise would enable unlawful and illegal attempts to enslave others, including Claimants, who are also individually sovereign. No legal fiction corporation or person has any existence in reality except as a mental construct, and therefore could not possibly have sovereignty over Claimants as creations of the Almighty God. Respondents, their agents, employees, contractors and principals create no authority to do anything merely by using legal fiction labels, costumes, or badges. Such trappings of Respondents' corporate status provide no immunity for their acts of extortion, trespass, or armed robbery against people.

(3) Respondents' predecessors long ago admitted that the people of the original Ohio territory were entitled to a republican form of government, i.e. a government by consent. 1802 Enabling Act. God also originally required the people to be self-governing and not governed by representation. Genesis 1:26. Claimants are bound only by the common law and, ultimately, the law of God. Both common law and God's law are higher authorities than corporate policies. Neither recognizes the phenomenon of tax liens. Even Respondents' superiors presume said "liens" to be unlawful. *Cassidy v Aroostook*, 134 Me. 34(1936).

(4) The corporate STATE's taxation codes do not use the words man, woman, or people because corporations have no authority over living people. Only God has authority over His creations, the living people. Moreover, Respondents have to date failed to claim the existence of any corporate statute, code or ordinance that grants any of them or their principals taxing authority. Neither Respondents' OHIO REVISED CODE nor their STATE OF OHIO "Constitution" contains claimed

taxing authority, only descriptions of how to collect FRN's based on groundless presumption.

(5) The true sovereign over the people and over the lands He created is and continues to be the most high God, not a man or woman acting in the role of a king or Pharoah, and not a group of apparent extortionists and embezzlers such as Respondents. Not one of the Respondents nor any of his or her agents or principals is sovereign when acting on behalf of one or more legal fiction corporations.

(6) Nowhere does the Bible document the existence of lawful authority to impose a property tax. For centuries, the people's land has been reserved as an inheritance for future generations. Deuteronomy 19:14; Leviticus 25. A tax on the people's land is an attempt by agents of the corporate STATE to defund, dispossess, and disinherit the people, disrupt families, and make people slaves and serfs, as Respondents' predecessors have admitted it was. "The power to tax is the power to destroy." *McCulloch v. Maryland* 17 U.S. 316 (1819).

(7) Taxation in ancient times could only be imposed upon slaves, as Pharoah did against the children of Israel by taking one fifth of the proceeds of the lands they tilled. Genesis 47:24. Respondents' predecessors and superiors have long claimed that slavery was abolished by means of the 13th Amendment to their 1787 Constitution and the battlefield deaths of some one million American men more than 150 years ago. But Respondents' conduct nonetheless demonstrates their intention to use extortionate acts to enslave Claimants. Such enslavement efforts may be punished by death. Acts 7:7; Exodus 21:16. Scripture plainly commands Claimants and all others who believe in the risen Savior to not be enslaved because Claimants and other believers have been ransomed and redeemed by Him. "You were bought at a price; do not become slaves of men." 1 Corinthians. 7:23. The most high God not only prohibits Respondents from enslaving Claimants. He also prohibits Claimants as Christians, from becoming the slaves of men. Claimants belong to the Messiah, Jesus Christ, the son of God. Claimants cannot lawfully be subjugated to any incorporeal or imaginary entity known as the corporate STATE. The notion that taxation may be imposed on a conquered people is merely a way of justifying Respondents' tortious and criminal acts. Respondents may have extorted and embezzled from Claimants and are threatening to rob Claimants now, but Claimants remain unconquered.

(8) Respondents seek to enslave Claimants and reduce them to serfdom. In I Samuel 8:14-15, God warned the people about the misery that anyone acting as a king would bring to the people in the form of the *indirect property tax*. Claimants have no earthly sovereign except themselves.

(9) Respondents' scheme of falsely claiming entitlement to a *direct* property tax on the value of land they covet could only be justified according to Bible law if the coveted land were occupied territory. II Kings 23:28-37; Nehemiah 5:4. Claimants' land is not occupied territory. Claimants are likewise not subject to any corporate policies of agents of any entities Respondents' superiors or predecessors created pursuant to the December 9, 1945 International Organization Immunities Act.

(10) Respondent Jeffers tells the public on his web page that the so-called land tax claimed by Respondents is "an '*ad valorem* tax' meaning a tax based on the value of the real estate'." *Ad valorem* taxes are direct taxes. Even in the corporate world of fiction in which Respondents purport to act, such direct, *ad valorem* taxes must be apportioned, as was admitted by all Respondents' predecessors and superiors who considered the matter, i.e. the "justices" in *Stanton v. Baltic Mining Company*, 240 U.S. 103 (1916). Article I. Section 2 Clause 3 and Article I Sec. 9 Clause 4 of Respondents' 1787 UNITED STATES Constitution require that its agents first apportion any taxes

they seek to impose on privately owned land. Respondent Lehner, like other Cabal agents, admittedly never computes any such apportionment. Every one of Respondents' predecessors in the *Stanton* matter admitted that a tax on land is a direct tax and void for want of compliance with Article I Section 2 or Article 1 Section 9 if not apportioned. *Pollock v. Farmers' Loan & Trust Co.*, 157 U.S. 429 (1895). The *Stanton* "justices" also refused to consider that the Cabal's Sixteenth Amendment was capable of repealing those previously enacted Constitutional provisions.

(11) A direct property tax, such as the one with which Respondents are threatening Claimants, is also an attack on a man's God given life blood, which was always tied to the land, ever since man was created "forasmuch as out of the substance of the earth Adam was formed". Barnabas 5:9; Genesis 1:26, 28; Hebrews 2:5-8; Barnabas 5:15.

(12) Respondents have no claim to immunity for their acts of thievery and threats of armed violence against Claimants and others. No principal or superior of Respondents is capable of providing lawful immunity to any of the Respondents as men and women for any of the injury, harm, or loss that they cause to Claimants or to anyone else. People who act in groups to harm others may not immunize their accomplices. Respondents' taxation and land seizure operations are creating private and public nuisances for which Claimants are entitled to monetary and injunctive judgments. At such time as the facts set forth herein are also established by default or conduct as set forth hereinabove, Respondents may also be found guilty beyond a reasonable doubt for any or all common law crimes against Claimants so established.

(13) This Notice is also public notice that any man or woman who attempts to purchase Claimants' land in the event that Respondents hypothetically succeed in stealing it, will not be considered a *bona fide* purchaser. Claimants will in that event include any such man or woman seeking to benefit by the theft of Claimants' land, as supplemental Respondents of the within and subsequent Notices.

(14) It is a settled principle that States may not tax beyond their territorial limits. Because corporations have no physical reality they can have no territorial limits. Their agents, including without limitation, Respondents, have no lawful authority over land. None of the Respondents purporting to act on behalf of their legal fiction corporations, has any taxing authority.

(15) Neither Claimants nor the strawman version of their names are in contract with the corporate "COUNTY OF ROSS", "CITY OF CHILLICOTHE", "STATE OF OHIO", or any of their parent or affiliate corporations. Claimants are not bound by nor have they consented to Respondents' unilateral corporate categorizations, if any, of their private property land. No such corporate classification policies justify Respondents' efforts to rob Claimants of their private property land.

(16) Respondents' superiors and predecessors have admitted that property generally is "the right and interest which a man has in lands and chattels to the exclusion of others." *Ralston Car Co. v. Ralston* 147 N.E. 513 (Ohio 1925) Claimants elect to exclude Respondents from their private property land.

D. RESPONDENTS' TRIBUNALS HAVE NO AUTHORITY TO ACT AS COURTS

(1) Common law is a superior form of authority derived from God. Respondents' predecessors also admitted that "The inhabitants of the [Ohio] territory shall always be entitled to the benefits . . . of judicial proceedings according to the course of the common law." NW Ordinance, Article II. As

corporations, Respondents' tribunals do not meet their own definition of being courts because they are not operated by the sovereign. Black's 4th. Such entities are not courts of record because they admittedly administer no common law or the law of God. A corporation governs only its agents and customers. Claimants are neither.

(2) Respondents Schmidt, Ater, Marks, Cutright, Street, Ward, and Eddy, along with their fellow BAR member agents and contractors, when acting in their roles as corporate agents, in furtherance of acts of theft, extortion, robbery, kidnapping, embezzlement and murder committed in the corporate name, regularly conduct or participate in corporate proceedings that meet the definition of being a "sham" according to their own corporate policy enactments, e.g. Ohio Revised Code Section. 2951.52.

(3) Any so-called process produced by Respondents' corporate proceedings is void *ab initio*. *The Bank of the United States v. Planters Bank of Georgia*, 6 L. Ed. [9 Wheat] 244 (1824). No corporation doing business administering corporate policy has any authority whatever to operate as lawful government and is not a court. *Clearfield Trust Co. v. United States*, 318 U.S. 363-371 (1943).

(4) The Thirteenth amendment to Respondents' 1787 UNITED STATES Constitution, ratified in Ohio in January, 1811 and by agents of all required States by 1824, prohibits Respondents Schmidt, Ater, Marks, Cutright, Ward, Street, Eddy or any other BAR member who has received or retained such emoluments as the title of attorney at law or esquire, from holding any office of public trust. Any purported acts they have performed to date or intend to perform, including the creation of corporate "court orders" are therefore void *ab initio* and of no effect.

(5) None of Respondents' corporate policy statements, which they call statutes, codes, and Constitutions, apply, by their own terms, to living men or women. Such policy statements coming from corporate legislatures or "Congress" never use the terms man or woman because a corporation has no authority over men or women, who are created by God Almighty, not by corporate agents.

E. CLAIMANTS HAVE NO OBLIGATION TO SUPPORT RESPONDENTS' CRIMINAL ACTS OR THEIR INTERESTS IN UNGODLY SECRET SOCIETES

(1) Respondents are engaged in acts of idolatry and self idolatry, including without limitation the wearing of black robes accompanied by armed enforcement of public adulation when they enter a "courtroom" wearing such robes, the practice of using public funds to adorn buildings named after themselves and deceased corporate predecessors, displays of the corporate flag on a pole to send a message of a military/mercenary threat inside rooms purporting to be devoted to justice, the requirement of public flag worship, and the promotion of graven images of pagan gods.

(2) Many of the Respondents themselves are members of Masonic orders and other secret societies and/or take direction from Masonic principals, some of which are known as Respondents' "worshipful masters". Notwithstanding their public displays of Godliness, Respondents publicly choose to be guided by corporate insignias that make use of occult and Masonic symbolism and images commonly used in anti-Christian idolatry. Such symbols include without limitation the sun, the number 13, which had great symbolic value prior to the 13 colonies, and the pentagram, also known as the star of Remphan. Masons take oaths promising to be led from the top by the "Grand Architect of the Universe", which is Lucifer, the euphemism Masons use for an anthropomorphic deity that represents evil.

(3) Occult, polytheistic and Masonic symbolism is present on the Federal Reserve Note, the very same debt instrument which Respondent Gee is demanding that Claimants use. Said Notes depict a rising sun, the latter being a common subject of idolatry specifically prohibited by scripture. Deuteronomy 4:19. The One “Dollar” version of Respondents’ Federal Reserve notes (FRN’s) subtly depicts the “god” known as Moloch, to which Masons and their predecessors have been sacrificing children since the days of Nimrod. <https://www.grunge.com/679803/every-symbol-on-the-dollar-explained/>; <https://www.chroniclecollectibles.com/owl-on-the-one-dollar-bill/>. The “all seeing eye” depicted on the FRN is widely known to be of Osiris, an ancient god depicted throughout Respondents’ parent corporations on the land mass known as District of Columbia. Osiris is worshipped by members of secret societies to which Respondents defer and of which several are members.

(4) A number of Respondents are members of secret societies other than the Masons in which their memberships require them to take oaths that also require partiality to other members, as well as oaths that directly contradict their oaths of office. Freemasonry permeates corporate policies of Respondents’ principals.

(5) The land upon which the Masonic temple in Ross County sits, located at 57 East Main Street in Chillicothe, also houses such anti-Christian organizations as INDEPENDENT ORDER OF ODD FELLOWS, KNIGHTS TEMPLAR OF THE UNITED STATES OF AMERICA, MASONIC LODGE, MASONIC TEMPLE ASSOCIATION, MASONIC TEMPLE, ROYAL & SELECT MASONS OF OHIO, ROYAL ARCHDIOCESE MASONS OHIO GRAND, and TEMPLE MASONIC LODGE. None of these admittedly corporate entities are recorded with Respondents’ websites as paying property tax to Respondents.

(6) In addition to their criminal acts, Respondents have made themselves “contemptible and base before all the people” by refusing to keep the ways of Almighty God and by their partiality to Masons and other secret societies. Malachi 2:9. Claimants as living people, have God-given rights that are at least equal to those enjoyed by any other living man or woman in Ohio, including each Respondent.

(7) PUBLIC NOTICE: By continuing their efforts to steal Claimants’ land, Respondents are creating a public nuisance not only for Claimants and other land owners similarly targeted but also for potential purchasers who Respondents deceive with false representations as to the *bona fide* nature of said transactions.

F. CRIMINAL AND INJUNCTIVE LIABILITIES OF RESPONDENTS FOR USE OF WEAPONS TO ASSAULT, BATTER, EXTORT, AND MURDER

(1) The mere existence of the corporations for which Respondents claim to act constitutes an admission that Respondents are operating one or more criminal enterprises. A corporation by definition and in practice is a mental construct based on the theory that its agents, principals, owners, and contractors, while acting in their legal fiction roles, may harm others without incurring individual liabilities therefor.

(2) According to so-called “caselaw” from the highest levels of Respondents’ corporate Cabal, not one of them has any legal duty to protect or serve the people of the original Ohio republic. As corporate agents, Respondents’ only duty within the Cabal is to generate revenue.

(3) In the absence of any duty to protect or serve, Respondents, their agents, contractors, principals have no lawful purpose in carrying weapons while acting for the sole purpose of generating corporate revenue. When acting as living people and not as corporate agents, Respondent may have a God given right to defend themselves with arms, just as Claimants do. Nevertheless Respondents currently propose to commit an armed robbery against Claimants and their land. Respondents' customs and practices corroborate the fact that they use weapons while acting as corporate agents when they commit robberies, kidnaps, and the extortion or seizure by force of private property not belonging to them. Such acts are in defiance of God's Commandments set forth at Exodus 20:15,17, for which the punishment may include death: "And whosoever will not do the Law of thy God, and the King's law, let him have judgment without delay, whether it be unto death, or to banishment, or to confiscation of goods, or to imprisonment." Ezra 7:26: (Geneva Bible); Deuteronomy 17:2-5; 13:6, 9. God and those who assemble to worship Him will not be mocked. 1 Samuel 2:25, 29-32.

(4) Respondents have obligated themselves to work for the financial interests of their corporate principals and parent corporations, regardless of conflict both with common law and with God's law. "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon". Holy Bible, KJV, Matthew 6:24. Respondents' said undertaking in no way obligates Claimants to aid and abet in it. Nor does it absolve any of Respondents from personal liabilities incurred while serving the corporate entity.

IV. NOTICE OF POTENTIAL LIABILITIES

A. COMMON LAW TORTS: Any further acts by any Respondents in continuing to exercise non-existent claims of authority against Claimants may result in full liability for common law trespass, extortion, armed robbery or other harm or threatened harm.

B. EFFECTIVE DATE: The above Notices are legal and lawful notices. Respondents may deny the facts set forth in said Notice ONLY by serving the natural woman, Oxana Khramova above named, by certified, restricted delivery U.S. Mail, with return receipt, to the address indicated hereinabove for said Oxana Khramova within ten (10) days of Respondents' receipt of this Notice. Thereafter, the liabilities listed above may not be denied or avoided by the Respondents named and their agents and principals, as set forth in this notice.

C. OPPORTUNITY TO RESOLVE MATTERS IN CONTROVERSY: Respondents acknowledge that each is free to admit or specifically deny each of the facts set forth hereinabove. Upon the conclusion of Claimants' verified 3 Notice process, and upon Respondents' failures to provide factual rebuttal of same as instructed hereinabove despite the opportunities Claimants are providing them in which to do so, or upon Respondents' having accepted the Offer contained in the within Notice by Respondents' conduct as specified hereinabove, a common law contract will have been established resolving all matters, if any, which may have been in controversy.

D. CRIMINAL SANCTIONS: Upon three defaults, the facts established by the contract set forth in paragraph IV(C) will have been proven beyond a reasonable doubt as well as by a preponderance of the evidence. In the event that all Respondents cease and desist in their attacks and threats against Claimants, such fact may be considered in suspending the imposition of criminal penalties.

V. FEE SCHEDULE

A. INJUNCTIVE LIABILITIES: Respondents shall be enjoined from making further threats against Claimants, from carrying firearms or other weapons of any type, or committing other acts of common law armed trespass, extortion or robbery against any of the Claimants, their agents, guests, or tenants.

B. MONETARY COMPENSATION FOR CONTINUING HARM: A fee schedule is included herein for the purpose of compensating Claimants for past and continuing harm. The liabilities set forth in the within schedule, as to all Respondents above named, are based on their acts of trespass, extortion, assault, threatened robbery, and embezzlement, all as set forth hereinabove. Claimants have been harmed by each Respondent to date in the sum of \$500 per day since Claimants have become aware of same, on or about February 12, 2024. Each aforementioned Respondent shall be individually liable for said daily sum of \$500.00 United States Dollars, said sum to be due and owing by each said Respondent, their agents and principals, upon any finding or judgment of liability.

C. MONETARY COMPENSATION FOR PAST HARM: Upon a finding, admission, or judgment that Respondents or any of them have committed acts of common law trespass, extortion, assault, battery, robbery, conversion, or embezzlement against Claimants, the parties agree that Claimants are entitled to judgment in the further sum of \$100,000.00 United States Dollars against each said Respondent. One United States Dollar is defined herein and by the Acts of 1792 and 1900 as being 24.8 grains of gold or 371.25 grains of silver Coinage.

D. PERSONAL LIABILITY: It is understood that the within Fee Schedule applies to all Respondents as living men and women, not as corporate actors.

E. FAILURE TO PAY: In the case of failure to pay any judgment or observe any injunction within thirty (30) days of entry of any such Judgment, Respondents each agree that your property wherever situated is subject to lien, including judgment liens, levy, distraint, distress, certificate of exigency, impound, execution and all other lawful, equitable, and/or commercial remedies and Respondents themselves are subject to sanctions for contempt in the event of post-judgment threats against Claimants.

F. RECOUPMENT OF LOSSES: Respondents are hereby prohibited from directly or indirectly seeking recoupment of losses incurred due to any terms of this Contract, from their customers or constituents. Respondents will be absolved of all liability, including all outstanding amounts billed, upon payment of all sums required herein and as defined herein and upon the actual termination of further acts of trespass, extortion, embezzlement assault, robbery, or conversion.

G. CRIMINAL LIABILITIES: Upon any finding beyond a reasonable doubt that any Respondent has committed acts of threatened or completed violence or enslavement against any Claimant, and upon verified petition by Claimants, any lawful court to which Claimants so petition is authorized to impose such criminal sanctions as they find to be a Godly judgment, without further process in the way of a grand jury investigation or otherwise.

ALL RIGHTS RESERVED AND RETAINED

AFFIDAVIT OF Claimant Katherine Hine

The undersigned Katherine Hine, the living woman, being of full lawful age, having first been duly sworn upon her oath and being conscious of any penalty for perjury, states as follows:

Status and Standing

1. Claimants have been domiciled upon the land mass known as Ohio, i.e. the original Ohio republic, for many years. They hereby reserve the right to “define the moral, political, and legal character of their lives”, as Respondents’ superiors have conceded to be their right. Executive Order 13132 Sec. 2(d) (8/10/99).
2. Since the 1935 enactment of the corporate bylaw known as the Social Security Act, and the implementation of State issued Birth Certificates, agents of State corporate entities have created the legal fiction presumption known as *parens patriae* or otherwise to assume unconstitutional authority over children through parents’ signatures on Birth Certificate documents, executed without corporate agents having first fully disclosed such secret presumptions to the parents.
3. Each Claimant has already rebutted by separate document, any presumptions which may have been deemed to have been created by birth certificate documents executed after his or her respective births. No one ever had lawful authority to create a legal fiction “person” based on a perversion of the birth name of any of the Claimants.
4. None of the Claimants was ever lawfully entrusted to the State despite any corporate presumption to the contrary supposedly created by their parents’ signatures on birth certificate documents. The parents of none of Claimants ever had any intention of delivering their child to the custody of the corporate State.
5. Parents are not lawfully enabled without their knowledge or consent to indebt, pledge, conscript, or otherwise enter their sons and/or daughters into any form of bondage, debt, peonage, or enslavement. None of the parents of any of the Claimants did in fact voluntarily and with full prior disclosure of all material facts, relinquish any of their parental rights to any of the Claimants at birth. The date of birth of each Claimant is different from and earlier than the date of registration of the legal fiction strawman, which the corporate STATE then created at a later date as a perversion of the birth name.
6. Claimants disavow any presumption that any of them is a surety for any debt of Respondents or their legal fiction principals. Any deemed “consent” to terms and conditions of a contract that are undisclosed is meaningless and evidence of fraud, thereby rendering any presumed contract null and void *ab initio*.
7. Claimants are not legal fiction “citizens”, “persons”, “residents” or employees of the entity variously known as STATE OF OHIO, COUNTY OF ROSS, UNITED STATES, united States of America, United States of America, UNITED STATES CORPORATION COMPANY, GOVERNMENT OF THE UNITED STATES, its subsidiaries, successor corporations, affiliates, franchisees or contractors, whether or not known by other names and legal fictions.
8. None of the Claimants may be considered to be chattel property, a transmitting utility, a British or Vatican subject, employee of the STATE OF OHIO corporation or of any of the GOVERNMENT OF

THE UNITED STATES subsidiary or affiliate corporations. Nor are any of the Claimants employees of either corporate tribunal above named, or of any other corporation portraying itself as government. None of the Claimants is a *cestui que vie* trust, a vessel, lost or misplaced cargo, a corporate fiction “person”, a resident, citizen, plaintiff, defendant, corporation, ship, dead body, patient, client, taxpayer, or slave.

9. Each Claimant reserves his or her right to choose when to allow the legal fiction associated with his or her name, to be in contract with a corporation, as has been admitted by Respondents’ agents, predecessors, or superiors. *Merrion v. Jicarilla Apache Tribe*, 455 U.S. 130, 144-148 (1982).

10. Each Claimant hereby denies having ever consented to be in contract with any of the above named Respondents following full disclosure of all material facts and regardless of whether any of said Respondents acted under any actual or apparent authority of a corporate principal. As living people and not legal fictions, Claimants would have at all times lacked any power or right to engage in contractual relations with any legal fiction, such as any of the corporations employing any of the above named Respondents.

11. Claimants hereby deny that any of them ever consented to subject matter jurisdiction, personal jurisdiction or other claimed authority over any of them by virtue of the prior ownership of the private property described at paragraph I(A)(3) hereinabove by metes and bounds description, because not one of Respondents, whether as agents, employees, officers, or contractors for his or her principal, is lawfully authorized to act on behalf of the legitimate non-corporate *de jure* Ohio republic.

Claimants not bound by Corporate Presumptions

12. Claimant Katherine Hine hereby affixes her own autograph upon all the affirmations in the “NOTICE OF LIABILITIES FOR COMMON LAW TRESPASS, EXTORTION, EMBEZZLEMENT, & THREAT OF ARMED ROBBERY, POTENTIAL CRIMINAL LIABILITIES, RESPONDENTS’ DEFIANCE OF GOD’S LAW, ABSENCE OF RESPONDENT AUTHORITY TO ADMINISTER CLAIMANTS’ PRIVATE PROPERTY OR TO CARRY WEAPONS, PUBLIC NOTICE, CONTRACT OFFER, AND AFFIDAVIT” set forth hereinabove, with explicit reservation of all her unalienable rights and her specific common law right not to be bound by any contract or obligation which she has not entered into knowingly, willingly, voluntarily, with full disclosure of all material facts beforehand, and without misrepresentation, duress, or coercion.

13. Claimants rarely use any identification number from any government corporation and only do so for informational purposes and under duress, threat of violence, or because of the extreme inconvenience of operating without such number in today’s marketplace. The use by any Claimant of any such number is not out of a willingness to participate in the corporate system.

14. Each Claimant uses Federal Reserve Notes because none has access to any widely recognized currency. His or her use thereof does not make any of them a surety for any corporation and has no effect on whether any Respondent has committed an infraction of Article I Section 10 of the Cabal’s 1787 Constitution.

15. Any use Claimants make of any bank account, and any signatures he or she has been coerced to provide to obtain one is due to the absence of reasonable alternatives. Claimants hereby rebut any

presumptions that others may create as a result of any hidden contract created by any signature any Claimant may have provided in connection with securing any such account. Claimants refuse to be obligated to fulfill any hidden or unrevealed contracts whatsoever, due to the absence of full prior disclosure and voluntary consent.

16. Any tax returns any Claimant may have allowed to be filed in the name of the strawman fiction, were filed due to the atmosphere of fear and intimidation created by the tax collector and by other agents of the corporate state, not because there is any law requiring any such Claimant to do so.

17. Any use that any of the Claimants has ever made of a "driver's license" has been under duress. There is no legal requirement for any Claimant to have such a license to travel for purposes of trade, for his or her own pleasure or that of their family and friends. However, because of the lack of education and well known violence of private corporate code enforcement agents known as "police officers", any use that any Claimant has ever made of a license was exclusively for the purpose of avoiding being subjected to harassment or injury.

18. Any document that any Claimant may have ever signed, in which either answered "yes" to the question, "Are you a U.S. citizen?" cannot be used to compromise any Claimant's status, nor obligate any of them to perform in any manner. Without full written disclosure of the definition and consequences of such supposed "citizenship," provided to Claimants via document bearing each Claimant's autograph given freely without misrepresentation or coercion, there can be no legally binding contract as to any Claimant to act as such fictitious "U.S. citizen". Since UNITED STATES is a cabal of corporations and since corporations may not have citizens, only officers, shareholders, and agents, it would be impossible for any such UNITED STATES corporation to have citizens.

19. Claimants were never previously informed about, nor do they consent to any utilization of any perversion of his or her birth name through the use of all capitals, in the criminal operation known as Respondents' Court Registry Investment System.

20. Since no hidden, unrevealed, and undisclosed information, if it exists, can be lawfully held to be binding, all certificates and registrations, such as marriage or birth certificates, along with any presumptions which may be deemed created thereby, are null, void, and of no effect.

21. The attendance of any of Claimants' children in Cabal-supported "public" schools or controlled "private" schools does not create any legal tax obligation for any Claimant, or any other legal obligation. Not one of the Claimants ever signed a contract agreeing to such payments for the coerced so-called "benefit" of public school attendance. Any Claimant's use of such alleged "benefits", if any, has been under duress only and without full prior disclosure of all material facts. There is no lawful obligation to fund compulsory, corporate-controlled indoctrination known as public schooling. Claimants have waived none of his or her intrinsic rights and freedoms by prior use thereof.

22. Claimants agree to the Fee Schedule set forth hereinabove to compensate them for the current and threatened injury, harm or loss of their land which Respondents are causing them to date.

23. Authorization for sharing of personal and private information may only be given by the originator and subject of that information. That authorization is hereby denied and refused with regard to the Claimants described herein.

24. Claimant Hine, being first duly sworn upon her oath and having personal knowledge of all facts set forth herein and being fully authorized by the other members of the above referenced private membership association, hereby affixes her autograph to all affirmations in this Notice on her own behalf and on behalf of the other members of the above referenced common law private membership association with explicit reservation and retention of all members' unalienable rights and their specific common law right not to be bound by any contract or obligation which he or she has not entered into knowingly, willingly, voluntarily, and without misrepresentation, duress, or coercion. Any use of a notary public in the past or future is for identification, and such use does not grant any jurisdiction to anyone.

25. Authorization for sharing of personal and private information may only be given by the originator and subject of that information. That authorization is hereby denied and refused with regard to the Claimants described herein.

March 20, 2024 NOTIFICATION

By Hand Delivery

To: Mika Gee, [c/o] 2 North Paint Street,
Chillicothe, Ohio

It has come to my attention that in January or February of this year, you and one Michelle Arnold, an agent of UNITED STATES POSTAL SERVICE, committed acts of mail fraud in connection with an envelope, falsely addressed to 43 South Paint Street as being a location within a corporate federal zone, and also being falsely addressed to CHILDREN'S NETWORK PROPERTIES, the name of an apparently non-existent entity having a name deceptively similar to that of a non-operating fictitious entity for which I have on occasion received mail.

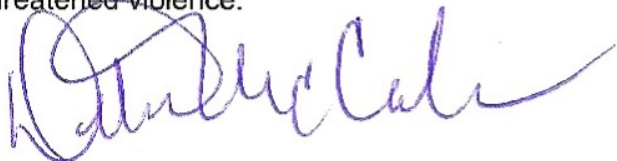

I have also become aware that you may have participated with Michelle Arnold last year in similar acts of mail fraud, as described in the matter of *McCabe v. Arnold*. Judgment against Arnold for such acts is publicly set forth here. <https://occr2021.com/dockets/>.

Based on seeing what seems to be your signature on a threatening letter dated January 25, 2024, I am providing you with this Notification for the purposes of requiring you and your cohorts to provide any and all documents establishing (a) the existence of a contract between us, i.e. between us personally or between your agents or principals and ours; (b) any legal or lawful interest that you, your agents, principals, or contractors have in the land and fixtures that you threaten to "foreclose" upon; (c) verification of the debt you claim, if any, and (d) confirmation that you are demanding the tender of Federal Reserve Notes in connection with any such debt you claim. If you fail to provide the required documents within seven (7) days of your receipt of this Notification, I will presume that no such documents exist. In that event I plan to proceed with a more formal Notice of Liability against you, your agents, contractors, and principals. In the meantime, I require that you, your agents, contractors, and principals cease and desist in further communications with me. We do not recognize the legitimacy of legal fiction corporations or unregistered foreign agent BAR members. You may comply *in your own name* with the hereinabove required documentation by delivering same so that it is received *in a timely manner* by certified mail and restricted delivery by the following:

Oxana Khramova
[c/o] 1701 Sixth Avenue North
Menomonie, Wisconsin [near 54751].

I appreciate your prompt attention to this matter and will take your anticipated cooperation into account when determining the next steps that I will take, along with the other owners of the private property that you have threatened to administer without the consent of the owners, and by means of threatened violence.

Sincerely,

Personally delivered on March 20, 2024 @ 9:15am

I. NOTICE OF FAULT

A. You Respondents, including without limitation Supplemental Respondent Harris, who is considered to have been previously served as an agent of the original Respondents, are hereby noticed that you are in fault of an opportunity to reply to the statements made in the May 19, 2024 notice referenced hereinabove, and as further specified hereinbelow:

B. True and correct copies of the above referenced May 19, 2024 Notice were delivered to all of the Respondents above named either personally or by agent as set forth in the June 17, 2024 Affidavit of Service posted here: <https://occr2021.com/pending-cases/>.

C. Said Affidavit of Service confirms that Respondents were served with the May 19, 2024 Notice either personally by agent or by placing the notices into Respondents' postal stream of commerce on June 14, 2024.

D. The July 11, 2024 Affidavit of Non-Response executed by Oxana Khramova, and also posted at <https://occr2021.com/pending-cases/>, confirms that none of the Respondents has responded in any manner to the May 19, 2024 Notice by the deadline or in the manner indicated therein, except that Respondent Yost produced a non-responsive, unsigned statement, a copy of which is attached to the Khramova affidavit and posted along with the Affidavit of Non-Response. G. Each Respondent therefore has rejected his or her due process opportunity to respond in the manner required by said Notice and has accepted the contract offer contained therein by his or her silence and by specific instances of conduct.

H. Respondents' refusal to date to reply in either a timely manner or as instructed, places each in fault and dishonor of the contract set out in said May 19, 2024 Notice. As of the date of this second Notice, Claimants are permitting each Respondent an additional seven (7) days to explain his or her prior refusals to address the verified statements contained in the original May 19, 2024 Notice as specified therein.

I. DEFAULT JUDGMENT will be sought against further defaulting Respondents.

J. If any Respondent fails to cure as specified hereinabove, then, by operation of law, such second failure to respond as required by the May 19, 2024 Notice shall constitute the FINAL agreement and admission of the liabilities of Respondents through tacit agreement as further explained in the May 19, 2024 Notice and resulting contract.

K. Any further actions Claimant may take shall be in accordance with the procedures, jurisdictions, and penalties thereof set forth in the May 19, 2024 Notice.

L. REPLY to this Notice of Fault and Opportunity to Cure MUST BE RECEIVED by 5 p.m. on the effective date, which is within SEVEN (7) DAYS from the date of Respondent's RECEIPT of the within Notice of Fault and Opportunity to Cure, all as previously set forth in the May 19, 2024 Notice. THIS IS A SELF EXECUTING CONTRACT

1. You, as the original Respondents, as well as Supplemental Respondent Harris, the latter having acted at all times as principal, agent or contractor of original Respondents, are all in DEFAULT of an opportunity to respond as directed to the original 5/19/24 "NOTICE OF LIABILITIES FOR COMMON LAW TRESPASS, EXTORTION, EMBEZZLEMENT, & THREAT OF ARMED ROBBERY, POTENTIAL CRIMINAL LIABILITIES, RESPONDENTS' DEFIANCE OF GOD'S LAW, ABSENCE OF RESPONDENT AUTHORITY TO ADMINISTER CLAIMANTS' PRIVATE PROPERTY OR TO CARRY WEAPONS, PUBLIC NOTICE, CONTRACT OFFER, AND AFFIDAVIT" [hereinafter the 5/19/24 Notice] or to the July 16, 2024 "NOTICE OF FAULT AND OPPORTUNITY TO CURE NON-RESPONSES TO MAY 19, 2024 'NOTICE OF LIABILITIES FOR COMMON LAW TRESPASS, EXTORTION, EMBEZZLEMENT, & THREAT OF ARMED ROBBERY, POTENTIAL CRIMINAL LIABILITIES, RESPONDENTS' DEFIANCE OF GOD'S LAW, ABSENCE OF RESPONDENT AUTHORITY TO ADMINISTER CLAIMANTS' PRIVATE PROPERTY OR TO CARRY WEAPONS, PUBLIC NOTICE, CONTRACT OFFER,

AND AFFIDAVIT". Affidavits of Service and Non-Response as to the first two Notices are currently posted in the Pending Notices section of the Ohio Circuit Court of Record website: www.occr2021.com.

2. All Respondents are in DEFAULT of an opportunity to reply to the 5/19/24 Notice as well as to the Second Notice, i.e. the 7/16/24 Notice, as indicated by the Affidavits of Service and the Affidavits of Non Response to both the 5/19/24 Notice and the 7/16/24 Notice. Previously Respondent Gee had refused to respond to the Notification hand delivered to her agent on March 20, 2024.
3. Original Respondents have now each been given two opportunities to dispute each of the statements made in the 5/19/24 and 7/16/24 Notices establishing the absence of all authority to cause or threaten further injury, harm, or loss to Claimants. Nor have Respondents provided grounds for having refused to have made any response whatever to date.
4. Supplemental Respondent Harris is deemed to be the agent or principal of the original Respondents, by reason of which the initial service of the 5/19/24 Notice is the equivalent of service upon Respondent Harris. The Supplemental Respondent is in DEFAULT of the opportunities provided to him by agent to reply to the aforementioned 5/19/24 and 7/16/24 Notices, or to provide grounds for having refused to make any response whatever, to date.
5. The unsworn communication dated June 20, 2024 from Respondent Yost's office, although not signed by Respondent Yost, was attached to the July 11, 2024 Affidavit of Non Response of Oxana Khramova posted on the Pending Notices sub-page of the OCCR website (www.occr2021.com). Said communication clearly meets the definition of an "Insufficient Response" set forth in the May 19, 2024 Notice.
6. Respondents continue to engage or aid and abet in armed trespasses, albeit not, for the time being, as to Claimants' land.
7. Each Respondent has to date been given the opportunity to:
 - a. State a claim as offered in the first and second notices above referenced;
 - b. Refute by specific affidavit, point by point, by means of verified facts sworn to by a man or woman affiant with actual knowledge, specifically disputing any or all facts Claimant established by verified Notice to date, that no Respondent and no contractor, principal or agent of any such Respondent had any authority or subject matter jurisdiction to take any of the actions he or she has threatened via their agent, Respondent Gee, on January 25, 2024 to take.
 - c. Cure the failures to respond to the 5/19/24 and 7/16/24 Notices as specified therein.
8. By remaining silent and/or by participating in conduct prohibited by common law and even by Respondents' own corporate codes, all as specifically set forth in the 5/19/24 and 7/16/24 Notices, each of you original Respondents and one Supplemental Respondent, your agents, and principals, have agreed with all terms of the contract thereby created.

9. Due to the failure of each Respondent above named to answer with any specific, verified, and sworn reply to the initial contract offer, required by both the 5/19/24 and the 7/16/24 Notices, a contract may also have been created. Upon Respondents' further refusals to dispute the facts already established or to explain any claimed inability to respond, a Binding Contract will have been created. Claimant intends to seek a binding DEFAULT JUDGMENT incorporating all terms of any such contract.

10. All Respondents are further hereby Noticed as follows:

a. Any documents any Claimant has signed or any statement any of them has made at Respondents' behest or which any said Claimant may in the future sign in the event that Respondents resume their threats of armed assault and trespass, as well as any statements purportedly made on behalf of any Claimant by any BAR member, are null, void, and of no effect. This invalidity extends, without limitation, to any document Claimants may hereafter be induced to sign in order to free themselves from any future acts of armed assault and trespass with which Respondents and/or Supplemental Respondent have threatened them.

b. Each of the Respondents has declined to claim that his or her silence constituted an oversight, mistake or was otherwise unintentional, as each was given an opportunity to explain per paragraph I(H) of the 7/16/24 Notice.

c. All Respondents, their agents, and principals, have agreed and understand that each may incur liability whether or not his or her actions were justified by corporate policies known as "statutes", and as each was warned per the 5/19/24 Notice.

d. Claimants have at no time authorized any Respondent or their agents or principals to file the 5/19/24 Notice, the 7/16/24 Notice, or the within Notice into Respondents' corporate records, nor do Claimants seek any "ruling" from any Respondent because no Respondent has any authority to usurp the people's God given authority as the source of all earthly law.

11. Claimants have already informed original Respondents of their fault in purporting to exercise non-existent authority and jurisdiction over them on their private property land, and that any such acts by any Respondent, their agents, contractors, or principals, already committed or to be committed in the absence of such authority and jurisdiction constituted and continue to constitute a trespass to their Constitutionally protected and common law rights, as well as to their numerous rights specified in the Holy Bible and/or in Respondents' codes, statutes, and other corporate policy statements.

12. Respondents are warned that God will not be mocked. Had Respondents heard either Claimant at the time of service of the 5/19/24 Notice, the matter could have been resolved: "Moreover, if thy brother shall trespass against thee, go and tell him his fault between thee and if he shall hear thee, thou has gained thy brother." Holy Bible, KJV: Matthew 18:15.

13. But said Respondents have refused to specifically acknowledge and then resolve the harm they have inflicted or threatened to inflict on Claimants. However, Respondents have chosen to continue to maintain an armed threat to Claimants and the community as a whole by refusing to disarm themselves despite having no lawful or even corporate duty or power to protect or serve anyone and in the complete absence of privilege or immunity from the consequences of such acts. Respondents have now twice admitted that they are not privileged to carry firearms while employed for the purpose of generating revenue.

14. On July 29, 2024 and August 5, 2024 original Claimants again informed Respondents of their fault and provided them with an opportunity to cure, by means of their 7/16/24 Notice. "But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established. Holy Bible, KJV: Matthew 18:16.

15. Respondents upon being served with the 7/16/24 Notice of Fault and Opportunity to Cure again failed to hear Claimants or to respond, although they were each allowed a reasonable time frame in which to do so, by reason of which Claimants are now, *via* the within Notice of Default and Imminent Liability, again informing Respondents, in the presence of the broader community, originally, the church. "And if he shall neglect to hear them, tell it unto the church but if he neglect to hear the church, let him be unto thee as an heathen man and a tax collector." Holy Bible, KJV, Matthew 18:17

16. As original Respondents are imminently in default for having twice failed to reply, further failures to respond as instructed shall constitute the FINAL admission of liabilities, as well as assent to the contract Offer contained in the original May 19, 2024 Notice, thereby establishing an agreement of the parties as stated in the three NOTICES as defaulted.

17. BINDING JUDGMENT: Any Respondent failing to respond as defined herein or any Respondent who engages in the conduct specified in the original Notice has accepted the Offer contained in said original 5/19/2024 Notice, and has agreed that a Binding Judgment by default incorporating all of the terms of the within Contract may be entered by any common law court and/or administrative tribunal, at Claimant's election, as previously set forth in the original 5/19/2024 Notice.

18. FINAL OPPORTUNITY FOR DISCHARGE OF LIABILITY: Any Respondent will be absolved of all liability as of the date of the receipt of the within Notice, upon the occurrence of all of the following, previously set-forth conditions:

(a) cessation of all further attempts to administer Claimants' land, to falsely imprison, kidnap or otherwise threaten Claimants, their tenants, agents, contractors, fellow worshippers or court members, and surrender of all firearms to Claimants by a designee of their choice.;

(b) payment in full of all to-date agreed upon monetary compensation set forth in the Fee Schedule at Paragraph V of the 5/19/24 Notice.

19. All Respondents are further hereby notified that Respondents' third and final refusals to specifically deny the facts establishing the existence of their threats, frauds, and continuing acts of threatened common law armed trespass and armed assaults against Claimants, their tenants, agents, contractors, their fellow worshippers, or court participants, will constitute their final assent to the May 19, 2024 contract offer, thereby creating a contract resolving all matters in controversy. Any such further acts may also be considered additional evidence of Respondents' having committed the acts set forth in the May 19, 2024 Notice beyond any reasonable doubt and a knowing and intelligent waiver of any Respondent any entitlement to a true bill from a common law or statutory grand jury.

20. The above Notice is a legal and lawful notice. **Respondents may deny said Notice ONLY as specifically instructed and by serving the natural woman indicated herebelow.** All responses must be specific, factual, verified and sworn to by a man or woman with actual knowledge, exactly as previously set out in the May 19, 2024 Notice and thus be by certified mail, restricted delivery and return receipt requested to:

Oxana Khramova
[c/o] 1701 Sixth Avenue North
Menomonie, Wisconsin [near 54751].

Claimant hereby adopts and acknowledges each and every statement made in the within Notice of Default and Imminent Liabilities to be true and correct.
