I.PREAMBLE

A.NOTE ON MEANING OF TERMS USED HEREIN: Notwithstanding any agreement, course of dealing, or usage of trade to the contrary, Claimants do not understand, nor are they required to understand or accept any other meaning of words used herein in the English language other than those found in common American speech or in Webster's 1828 American Dictionary of the English Language. Unless otherwise specified herein, terms used herein, including legal fictions which may have particularized meanings and usages within the corporate *de facto* "court" system, are being used as Claimants understand them, according to their ordinary and plain meanings and/or as defined by Webster's 1828 dictionary, notwithstanding a contrary meaning or usage which may be assigned to such terms in corporate tribunals or by Respondents or their employers, contractors or agents. Usage herein of names of corporations in all capital letters is consistent with standard style manuals and for the purpose of clarifying the corporate nature of the entity so referenced.

- (1) The term "you" refers to each Respondent named herein or his agents, employees, or contractors, exclusively as men or women and not in the Respondent's fictitious role as a "person" unless otherwise specified.
- (2) The term "Claimant" herein refers to Keith Belluardo, Barbara Belluardo, or Lisa Belluardo.
- (3) One United States "Dollar" is defined herein and by the Coinage Acts of 1792 and 1900 as being 24.8 grains of gold or 371.25 grains of silver. Neither act has ever been repealed.
- (4) The term "Federal Reserve Note" or FRN, used herein, refers to an unsecured debt instrument printed by agents of the private, for profit corporation known as the FEDERAL RESERVE BANK or its contractors. An FRN is not a United States Dollar.
- (5) The term "trust" as used herein is defined as the transfer of legal title to another while reserving the equitable portion of the title for the one called beneficiary.
- (6) The term "corporation" herein refers to a legal fiction entity created for the purpose of generating profit and shielding its shareholders, owners, agents, and contractors from individual liabilities for injury, harm, or loss caused to people by actions of such corporate agents as people.
- (7) The terms "United States Constitution" or U.S. Constitution herein refer to either the 1781 or 1787 Constitution for the united States of America or the legal fiction entity then operating on behalf of the union of said nation States.
- (8) The term "murder" as used herein is defined as the intentional killing of another with malice aforethought or as a result of an act committed with a depraved heart.
- (9) The term "land grab" as used herein refers to a usually swift acquisition of private property land by fraud or by unlawful force.

(10) The term “payment”, as of a claimed liability or debt, used herein, refers to the delivery of money or value, which then extinguishes or cancels the claimed liability or debt.

(11) The term “discharge”, as of a claimed liability or debt, used herein, refers to replacing the claimed liability or debt with a different form of satisfaction, including without limitation the tender of debt instruments, which the creditor accepts as tender.

(12) The term “mail fraud” used herein refers to a violation of a corporate policy enactment including without limitation the following from “UNITED STATES CODE”:
(a) use of the mail to send false tax bills (18 U.S.C. Sec. 1341); or (b) creation of fictitious obligations and presenting them as bills (18 U.S.C. Sec. 514); or (c) creation of a counterfeit security by placing property on a tax roll when no such tax is owed (18 U.S. C. Sec. 513).

(13) The term “strawman” herein refers to the name of a front or third party that is used only to take part in a transaction, a nominal party said to act as agent for another for the purposes of executing documents purporting to engage in any transaction according to the directives of the principal; also includes the name of a legal fiction person used to purchase property for another, to conceal the identity of the real purchaser or to accomplish some purpose otherwise not allowed, usually designated by means of non-standard usage of all capital names. Based on Black’s Law Dictionary (6th Ed).

B. AGREEMENT AND WAIVER OF RIGHTS: If any Respondent agrees with all of the statements contained in the within Notice, he or she needs not respond. Respondent’s silence or conduct, as specified in bold letters hereinabove, will constitute his or her agreement and acceptance of all of the terms, statements and provisions hereunder as his or her complete understanding and agreement with Claimants as well as Respondent’s waiver of any and all rights, remedies and defenses of protest, objection, rebuttal, argument, appeal and controversy for all time. Respondents agree that his or her agreement, having been granted knowingly, voluntarily and with full disclosure, settles all matters finally and forever, and cannot be withdrawn.

C. DISAGREEMENT AND FAILURE TO RESPOND: Respondents may disagree with any of the terms of this Notice by disputing point by point any specific allegation contained herein based on affidavits from a living man or woman having first-hand knowledge of facts contained in any such verified response. Respondents and Claimants agree that a response which is not verified, or a response from a third party agent lacking first-hand knowledge of the material facts, will constitute that Respondent’s “failure to respond” as defined herein and will be considered ineffective and insufficient.

D. INSUFFICIENT RESPONSE: As with a failure to respond, a Respondent’s failure to respond by the indicated Effective Date and as described hereinbelow, will cause the facts, law, and terms stated within this Notice and accompanying Declaration to become binding and fully enforceable as a contract which may be incorporated without further notice into a Binding Judgment of a common law Court of record, or in a *de facto* corporate “court” or tribunal as Claimants may select.

E. APPLICABLE LAW: Other than as expressly represented herein, you, as Respondent herein and in your individual capacities, agree that no section of the

Contract offer contained in this Notice, upon agreement, shall be assumed to constitute a voluntary election by any of the parties thereto to submit the resulting Contract or the said parties to any venue of law, jurisdiction, court or tribunal, other than as is expressly stated in the agreement of the parties hereunder. You agree that the Contract shall not be deemed to be subject to the bylaws, statutes, orders, decrees, constitutions, or rules of any corporate entity whether or not commonly referred to as the corporate FEDERAL GOVERNMENT, those of any corporate STATE, whether referred to as a political subdivision, affiliate, or subsidiary thereof, or of any other corporation, or those of any other legal fiction, procedural phantom, political construct, or any other jurisdiction, real or imagined, unless such election is voluntarily made in writing by Claimants following full prior disclosure of all material facts.

F. AUTHORITY TO AMEND AND JOINDER FEE: Respondents agree that no man, woman, or legal fiction person or corporation shall have any authority to control any decision regarding the Contract which may be created upon Respondents' default. No such man, woman, or legal fiction shall be deemed to possess any powers, interest or authority to amend, alter, modify or terminate the Contract as to any man or woman, party, or entity, real, fictitious, or imagined, other than as expressly represented hereunder. No such powers, interest or authority shall be assumed. The exercise of any and all such powers, interest and authority is expressly prohibited hereunder. You agree that any representation by any man, woman, party or entity, that any such powers, interest or authority exist shall be deemed a confession that such entity seeks to join the contract pursuant to the terms herein, for which the joinder fee has been established as Fifty Thousand UNITED STATES Dollars per each such event.

G. OFFER OF IMMUNITY—STATING A CLAIM: Any Respondent may avoid all liability and obligations under this Notice by simply responding no later than by 5 p.m. Eastern Time on the Effective Date with an Affidavit or Declaration signed by a living witness with personal knowledge of the material facts contained in said Affidavit or Declaration and which proves any claim said Respondent may have against any Claimant or his or her interests. The statement must be sworn to be true under penalty of perjury, be witnessed by two living people, and be supported by certified factual evidence and verified proof. Alternatively, Respondent(s) may respond with a point-by-point rebuttal of this Notice, sworn to be true, to which he or she attaches certified factual evidence. In the event any Respondent declines this good faith Offer of Immunity, said Respondent is deemed to agree with all terms, facts, statements and provisions in this Notice and any obligations created hereunder.

H. TERMS OF RESPONSE: As with any administrative process, Respondent may rebut the statements and claims in the Notice herein by executing a verified response, point-by-point with evidence that is certified to be true and in affidavit form, correct and complete, to be received by Claimants' agent named at subparagraph I(P) hereinbelow, no later than 5:00 PM Eastern Time on the designated Effective Date.

I. BINDING CONTRACT. Any Respondent's acceptance of the terms of this Notice of Liability and Contract Offer, with all attachments, constitutes a binding contract between each said Respondent, as a natural living man or woman, and Claimants Keith, Barbara, and Lisa, the natural living man and two women, for the purpose of establishing the honorable terms of a "Contract". Any such contract, as expressed in the within Notice, also, when reduced to judgment, will constitute a lien against the private

property of each indicated Respondent, his or her agents, principals, or contractors individually as men and women and as further described hereunder.

J. CHOICE OF LAW: Other than as expressly represented herein, you, as Respondent herein and in your individual capacity as a man or woman, agree that no section of the Contract proposed herein shall be assumed to constitute a voluntary election by any of the parties thereto to submit said parties to any substantive law other than that of God Almighty, as expressed in the Holy Bible, and as may be applicable between the parties. You agree that the Contract created by the within offer, once accepted, shall not be deemed to be subject to the policies, bylaws, statutes, orders, decrees, "Constitutions", or rules of any corporation or other legal fiction, procedural phantom, political construct, or any other jurisdiction, real or imagined, unless such election is voluntarily made in writing by Claimants or their authorized agent following full disclosure of all material facts.

K. BINDING JUDGMENT: You agree that a Binding Judgment based on the proposed Contract set forth herein may be entered by the Ohio Circuit Court of Record or any other non-corporate Court seated on the land of the original Ohio republic and applying the substantive law of Almighty God. You agree that any such judgment is entitled to full faith and credit by any true non-corporate Court or corporate tribunal. Claimants may further elect to enforce the Contract or resulting Judgment arising therefrom through any man or woman designated by the Ohio Circuit Court of Record. You agree to waive any and all claims you may have against any such Court officers acting as Claimants' enforcement agents, which claims may arise in connection with the enforcement of any judgment or contract to which the parties agree. You also agree to hold all men and women, their agents and contractors harmless as to all liability for any acts performed for the purpose of, or incident to, the enforcement of said Contract or judgment arising therefrom.

L. JOINDER: You agree that no living man or woman, legal fiction person or entity shall have any authority to control any decision regarding the proposed Contract. No man, woman, or legal fiction person asserting such authority shall be deemed to possess any powers, interest or authority to amend, alter, modify or terminate the Contract as to any man or woman, other than as expressly represented hereunder. No such powers, interest or authority shall be assumed. Any attempts to exercise such powers, interest or authority are expressly prohibited hereunder. You agree that any representation by any man or woman, regardless of whether posing as an agent of any fictitious, or imagined entity, that any such powers, interest or authority exist shall be deemed a confession by said man or woman that he or she seeks to join the contract pursuant to the terms of Sec. I(F) for which the non-refundable joinder fee has been established as Fifty Thousand United States Dollars per each such event.

M. TACIT AGREEMENT: Respondents may admit to all statements and claims in the within Notice in one of seven (7) ways, as indicated herein, to-wit:

N. FAILURE TO RESPOND: The parties herein agree that failure to respond or the tendering of an insufficient response as defined herein constitutes silence and agreement with all terms, provisions, statements, facts and claims in the Notice. As conceded in *U.S. v. Prudden*, 424 F.2d 1021, 1032 (1970), when circumstances impose a duty to speak, particularly as here, where one or more Respondents is alleged to have committed acts constituting crimes, torts and common law trespasses against Claimants' freedoms, and then deliberately remained silent, silence is equivalent to false representation, acceptance, or ratification.

O. LAWFUL CONSIDERATION: Claimants hereby pledge twenty-one (21) silver dollars as the consideration for the within proposed contract.

P. **EFFECTIVE DATE/RESPONSE:** Response must be by 5 PM Eastern Time on the Effective Date, which is fourteen (14) days from the date of receipt of this Notice.

Response shall be by U.S. registered or certified mail, return receipt requested and by restricted delivery to:

Abhi Daniels
[c/o] 3740 NorthWest 173rd Place
Beaverton, Oregon [near 97006].

II. CONSEQUENCES OF FAILURE TO RESPOND

A. FAILURE TO RESPOND DEFINED: The term "failure to respond" means Respondent failure by the Effective Date to respond *as instructed* or refers to an attempted response that was "insufficient" as that term is defined hereinabove. Respondents agree that failure to respond conveys his or her agreement with all of the terms and provisions of the within Notice and Contract Offer.

B. INSUFFICIENCY OF RESPONSE: The terms "insufficiency of response" and "insufficient response" are defined to mean a response which is not received by the Effective Date in the manner instructed, one which fails to specifically rebut, line by line, any of the established terms, provisions, statements or claims in the Notice, one offering blanket denials, unsupported rebuttals, inapposite rebuttals such as "not applicable" or equivalent statements, declarations of counsel and or other third parties who lack first-hand material factual knowledge, one lacking verification or an equivalent level of risk, or one failing to exhibit supportive evidence certified to be true, correct and complete under full commercial liability. Respondents agree that any such insufficient response fails to rebut the established facts stated under oath in this Notice, thereby conveying Respondent's agreement with all terms and provisions stated herein.

C. SELF EXECUTING CONTRACT: Upon Respondent's failure to respond or perform as defined hereinabove, or upon engaging in any of the hereinabove specified conduct, Claimants' Contract offer shall be considered to have been accepted. Respondents agree to be bound by all terms of the Contract thus created on the date of Default.

D. NOTICE OF DEFAULT: Claimants acknowledge that Respondents are entitled to a Notice of Default. In consideration, Respondents agree to accept a Notice of Default as

a Binding Contract offer which they accept by certifying Respondents' agreement with all terms, statements, facts and provisions in this Notice, by silence, or conduct. All parties to this Agreement further agree to be bound in perpetuity by any and all Judgments which may be issued adopting the provisions of said Contract.

E. ENFORCEMENT OF JUDGMENT: Any Respondent, by failing to respond as defined herein, agrees that a Binding Judgment incorporating all of the terms of any Contract created by these Notices and the agreement of the Respondents may be entered by any common law Court or Court administering the law of Almighty God, at Claimants' election. Any such judgment is entitled to full faith and credit by any other Court or tribunal. Claimants may elect to enforce the Contract or any Binding Judgment arising from it through a common law sheriff, deputy or true law enforcer who has taken an oath to support the supreme law of Almighty God. Any Respondent who fails to respond as defined herein agrees to waive any and all claims he or she may have against the members of any such common law or Godly Court, its agents, contractors, or against any corporate code enforcers, which claims may hereafter arise in connection with the enforcement of the Binding Judgment referred to herein. Respondents agree to hold any such enforcement agents harmless for any acts performed for the purpose of, or incident to, the enforcement of said Contract or Judgment arising therefrom.

F. POTENTIAL LIABILITY AND ABSOLUTION OF LIABILITY: Respondents will be absolved of all liability as of the date of the receipt of the within Notice, upon his or her full compliance with his or her obligations set forth in the Contract created by his or her acceptance of the within Offer of Contract, including without limitation, upon the payment of all outstanding amounts billed on account of joinder fees, costs of delivery of Notices, plus all sums billed and then owing pursuant to the Fee Schedule of Sec.V hereinbelow.

G. NON-PERFORMANCE: The terms "non-performance" and "failure to perform" are defined to mean failure to perform any obligation imposed by the Contract upon repeated instances of your "failure to respond" to this Contract offer as that term is defined herein, failure to exhibit evidence of a superior claim as specified herein, failure to verify a claim or response as instructed herein, and any other failure to perform an obligation under the terms and provisions of any Contract created herein. Your failure to respond conveys your agreement to all the terms and provisions of the Contract.

H. DISAGREEMENT AND FAILURE TO RESPOND: You may disagree with any of the terms of the proposed Contract by affidavit stating facts disputing any of the specific claims or allegations stated herein, said affidavit to be executed by an affiant having actual personal knowledge or a verified affidavit or declaration stating facts supporting a claim by an affiant having actual personal knowledge. All facts alleged must be set forth with particularity. Respondents and Claimants herein agree that a response which is not verified, or a response from a third party agent lacking first-hand knowledge of the facts, or a response delivered after the Effective Date will each constitute your "failure to respond" as defined herein.

III. RESTRICTION OF JURISDICTION

A. RESPONDENT CAPACITIES AS MEN AND WOMEN: As referenced hereinabove, Respondents, their agents, principals, and contractors are each living men and women and each individually liable as people created by Almighty God, when their

actions cause injury, harm, or loss to others, regardless of whether the Respondents' actions were committed while acting as strawman agents for any corporation and regardless of any false notion that it is lawful to harm some of the people if doing so might benefit others.

B. RESPONDENT CAPACITIES AS CORPORATE AGENTS: The within Notice is limited to addressing Respondents as living men and women and not as any corporate legal fiction roles they may assume when perverting the spelling of their birth names by use of the all capital name. In their legal fiction capacities, Respondents have no immunity relieving them from liability for any injury, harm, or loss they may cause to other living men or women, even when Respondents are operating consistently with corporate bylaws known as statutes, codes and constitutions and within or upon territory allegedly owned by Respondents, their agents, principals, or contractors.

C. GOVERNING LAW

1. The Common Law is the highest jurisdiction of manmade jurisprudence for the men and women sojourning on the God-created land masses occupied by living people.
2. The Common Law is the only law referred to in any version of the Constitutions of or for the united States of America or any of its associated state republics, such as Ohio.
3. The Common Law imitates but is inferior to the law of the Almighty Creator, as recorded in the Holy Bible. It also derives in many ways from 1215 Magna Carta and from other documents. In the 18th Century, William Blackstone described Bible law as authoritative in his published Commentaries, which publication remains instrumental in the development of what is called Anglo-American jurisprudence.
4. The American system of Common Law is based on the earthly sovereignty of individual living men and women. Legal fiction "persons" have no sovereignty whatever in any part of the world.
5. In 1982, people acting as agents of one or more of the corporate entities known as the U.S. CONGRESS acknowledged the supreme sovereignty of God's Law by enacting P.L. 97-280. There are additional references to the higher jurisdictions of God's Law and Common Law in the Declaration of Independence, the Northwest Ordinance, the 1781 Articles of Confederation, the 1783 Treaty of Paris, the Maxims of Common Law, both Constitutions of and for any entity known as united States of America in the original, non-corporate Ohio Constitution, and in all additional covenants of man that recognize the supremacy of God's law and the unalienable nature of the people's God given freedoms. All sources of earthly "law", custom and usage, even in a true republic, are inferior to God's law, and are subject to the will of the people assembled as true Courts in the presence and name of Jesus Christ. Matthew 18:20. Tribunals assembled in the name of corporate greed are not Courts and do not administer law. Believers are prohibited from subjecting themselves to such tribunals.
6. Claimants are and were at all times entitled at the very least to a Common Law-administering Court of record as part of a *republican form of government*, as recognized in Art. III Sec. 4 of the U.S. Constitution, conceded in the preamble to the 1803 Ohio Constitution and admittedly guaranteed to Ohioans by their 1802 Enabling Act.

7. Claimants hereby each assert their longstanding Common Law rights to be free to do as they wish so long as they cause no injury, harm, or loss to any other man or woman. In particular, Sec. 39 of Magna Carta is evidence that Respondents' predecessors conceded the existence of restrictions to their own perceived powers over others:

"No freeman shall be taken, or imprisoned, or disseized, or outlawed, or exiled, or in any way harmed--nor will we go upon or send upon him--save by the lawful judgment of his peers or by the law of the land."

8. No Respondent has any authority to infringe upon Claimants' God-given freedoms, rights and/or obligations. Imposition of non-consented-to "orders" or other acts committed by those acting as agents of a foreign corporation constitutes such infringement.

IV. SUMMARY OF FACTS

A. GENERAL NATURE OF RESPONDENTS' PREDATORY PROBATE SCAM. Respondents, together with their agents, contractors, and principals, have been using the legal fiction corporate format to participate in a widespread set of revenue generating operations variously described as predatory guardianship or predatory probate. Said operations commonly include, without limitation, acts of thievery, kidnap, murder, torture, attempted murder, and statutory murder for hire. The narrative set forth hereinbelow includes the essential facts underlying Respondents' prolonged acts of murder and thievery committed specifically against Claimants' decedent, John Belluardo, and their continuing acts of kidnapping, attempted kidnapping, and attempted murder targeting the surviving Claimants.

B. RESPONDENTS' DOCUMENT PREPARATION FROM OCTOBER, 1993 THROUGH JANUARY 31, 2026.

1. On or about October 25, 1993, Respondent Zimmer prepared so called trust and will documents, which he then coerced John Belluardo and Barbara Belluardo, the parents of Keith Belluardo and Lisa Belluardo, to sign, as guarantors of the legal fictions known as JOHN BELLUARDO and BARBARA BELLUARDO, without a full prior disclosure to John and Barbara of all material facts.

2. As of October, 1993 both John and Barbara Belluardo were sufficiently competent to understand their general intent to financially benefit their children after the couple's deaths and to avoid what they were told was "probate". Said October 25, 1993 documents re-stated, or seemed to re-state, John and Barbara Belluardo's expressed intentions to benefit both Keith Belluardo and Lisa Belluardo after their parents' deaths.

3. The Belluardos' 1993 documents provided that upon their deaths or incapacitation Claimant Keith Belluardo would administer a so-called trust as successor trustee and would, along with his sister, Lisa, be one of the two beneficiaries. By 1993 both parents had become aware that Claimant Lisa was suffering from what was then considered to be mental deficits and would not be an appropriate trustee or co-trustee.

4. Since Respondent Zimmer failed to disclose the material facts to them prior to signing, John and Barbara remained unaware of any legal theory pertaining to fictitious

entities, trusts, wills, or corporations. Among the material facts that Respondent Zimmer also failed to disclose to John or Barbara, include without limitation the following:

a. The all capital perversions of Claimants' and Respondents' birth names were monetized as part of a corporate scheme still being operated by Respondents and their collaborators in order to achieve through illicit means that which would otherwise be prohibited.

b. Neither the fictitious entity once known as JOHNSON TRUST COMPANY, mentioned in the 1993 "Trust", nor any of the JOHNSON successor or affiliate corporations currently associated with Respondents Siefert, Jackman, Spitznagel, Clough, and others, actually existed then, exist now or ever would exist as entities separately from the corporation's agents, principals, affiliates or contractors.

c. All references, if any, to a "Court" contained in the Belluardo 1993 documents were false in that any such "Court" referred to a private, for profit corporation that does not now and did not then meet any definition of being a Court, even according to BAR member Respondents' own legal dictionary, the Black's Law, which defines a Court as the sovereign and his suite. No corporation or corporate actor has sovereignty, a fact also admitted in the BAR's own so called "caselaw".

d. Respondent Zimmer's representations, if any, to John and Barbara that a trust would avoid "probate" were false.

e. Respondents McCollum and Brannon, like other BAR members wearing black robes and calling themselves "judges", have never had authority to administer corporate entities falsely called "courts" as if they were true Courts. Said Respondents, like other BAR member Respondents, their agents, principals, and contractors, are and continue to be prohibited from serving in any position of public trust, such as in a judicial capacity, by virtue of (i) their original, duly enacted, never repealed 13th Amendment to the never repealed 1781 United States Constitution and (ii) Respondents' violations of their own corporate policy enactment known as the FOREIGN AGENT REGISTRATION ACT.

f. Any purported acts committed by said black robed BAR members, including the creation of corporate "orders", are therefore void *ab initio* and of no effect.

g. Respondent BAR members' superiors and corporate predecessors admit that BAR members have no exemption from the parent corporation's anti-trust statutes. *Goldfarb v. Virginia State Bar*, 421 U.S. 773 (1975). Notwithstanding such absence of exemption, black robed BAR members such as Respondents Brannon, McCollum and others maintain an illegal monopoly.

h. All corporate policy enactments emanating from any entity known as UNITED STATES or any affiliate Congressional corporations, recognize the supremacy of the law of God, the Creator, per Congressional Resolution 97-280. God's law is supreme with or without acknowledgement of that fact from corporate actors.

i. Bible inheritance law is very clear that property is to be kept within the family and tribe.

- j. God's law would never approve of a transfer of property to an entity such as a corporation, which is devoted to generating revenue even when by criminal means.
- k. The "trust" notion of splitting ownership into legal and equitable ownerships is a relic of the Roman Empire, an idolatrous system maintained by the BAR Respondents herein. That system remains openly opposed to the law of God.
5. Respondent Siefert and other Respondents pretending to act for the fictitious JOHNSON entities have at all times held themselves out as Christians. John and Barbara Belluardo, as professed Christians, were influenced to sign documents by said false assertions that the JOHNSON Respondents abided by Christian principles.
6. In Respondents' corporate system, modeled upon Bible law, a failure of John's and Barbara's October 25, 1993 documents would result in statutory intestacy, such as that described at OHIO REVISED CODE SEC. 2105.06. Said corporate enactment would leave everything to the surviving spouse, or, with no surviving spouse and only children, everything would go to the children equally.
7. Any post-1993 attempts by Respondents Zimmer, Clough, Spitznagel, Siefert, Tandy, and/or other JOHNSON or BAR member Respondents to coerce Claimant Barbara Belluardo or Claimants' decedent, John Belluardo, to transfer ownership of their private property to artificial entities using documents that fail to disclose all of the above material facts, were and remain without the fully informed prior consent of either Barbara or John Belluardo. Any document thereby produced, is a nullity.
8. All post-1993 attempts by the JOHNSON, FIDELITY or BAR member Respondents to change the written expression of John or Barbara Belluardo's original testamentary intent without their prior informed consents are likewise void because of undue influence, ongoing failures to disclose all material facts, and due to the cumulative effects of post-1993 medical poisonings and batteries on both John and Barbara.
9. JOHNSON and BAR member Respondents' post-1993 efforts to unduly influence John and Barbara to change their originally intended inheritance plans, and to plunder the couple's assets were enhanced by the medical poisonings and surgical batteries set forth hereinbelow. After 1993 John and Barbara gradually but increasingly became subjugated to pharmaceutical poisonings and surgical batteries inflicted upon them during that time by the medical, dental, hospital, and "care facility" Respondents, using poisons manufactured by Respondents Soriot, Davis, Bourla, Birch, Ricks, Bancel, Frances, Kinney, and Saunders, among others.
10. By June, 2014, the JOHNSON Respondents admittedly had access to the sum of \$2,037,366.00 of Belluardo family funds, which they referred to in their documents as John and Barbara's "Total Portfolio Value" in UNITED STATES dollars. The current value of said sum is \$2,799.140.00, according to a standard inflation calculator. <https://www.usinflationcalculator.com/>
11. From at least 1993 through January 31, 2026 the JOHNSON Respondents have been collecting unknown sums called fees, based on unknown so-called "services" applied to said June, 2014 sum, among others. Since Claimants' January 31, 2026 formal termination of the JOHNSON Respondents' so-called authority, and up to the present day, Respondent Tandy has had unauthorized possession of the June, 2014 funds.

12. According to the JOHNSON Respondents' June, 2014 documents, they began to covet, but have made no effort to date to actually steal Claimants' tangible private property such as automobiles, an airplane, or the family home, land, or fixtures.

13. Respondents Harris, Bisignano, Bessent, and Keith, their agents and contractors, who have authority only over artificial entities, not living people or their tangible private property, had never had authority, by whatever guise, to tax or steal anything belonging to the Belluardo Claimants or to their decedent. Whether said Respondents did so anyway and the rate at which they may have purported to do so was dependent on the JOHNSON Respondents' manipulation of the ever changing corporate TAX CODE, or their relationship with Respondents Harris, Bisignano, Bessent, and Keith, their agents, principals and contractors.

14. None of the BAR Respondents, their agents, contractors or principals have ever had nor now claim to have authority to approve or disapprove the efforts of anyone to change the intent of John and Barbara as expressed by their 1993 signatures at a time when both were clearly competent, although misinformed. No BAR Respondent, including without limitation Respondents Brannon, McCollum or Zimmer, has ever had any authority or ability to determine anyone's competence. The source of all earthly law is in the people, as Respondents' predecessor superiors long ago admitted. *Chisholm v Georgia*, 2 U.S. 419, 471-472 (1793). As people living in a supposed republic, it would be Claimants who have the sovereign authority to inquire into the conduct of all Respondents or their agents when they purport to act as so-called "public servants".

15. The original 1993 documents generally expressed John and Barbara's continuing intentions to benefit their children.

16. Any effort by anyone to unilaterally change the original 1993 documents and thereby grant themselves permission to plunder such fruit of the Belluardo family wages and other property as admittedly existed in 1993, was of no lawful effect. With no authority to serve in any position of public trust, Respondents Brannon, McCollum, Zimmer and all other BAR members are likewise disqualified from ratifying such acts, and from administering assets of any living people.

17. Respondent Brannon is not administering a Court because he does not meet the definition of being "the sovereign and his suite", set out in BAR members' own Black's Law Dictionary (4th Ed). Agents of corporate entities have no authority over Claimants as living beings created by the Almighty. Those Respondents who operate corporate tribunals are implementing a fraud and public nuisance. All Respondents herein profit, directly or indirectly, from various contracts said to exist between their corporate principals and other corporations posing as federal and state governmental as well as non-governmental corporations. Such contracts generate profits, or the illusion thereof, through trade on the stock Exchange and participation in other fictitious transactions. As agents of said corporation(s), Respondents work solely for the financial interests of their corporate principals regardless of any Constitutional, common law, or Godly law. Respondents' allegiance to their corporate principals presents a conflict both with common law and with God's law, the supreme universal law. Part of God's law and the common law which serves it, states: "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon". Holy Bible, KJV, Matthew 6:24.

C. INTENSIFICATION OF PHARMACEUTICAL POISONINGS AND SURGICAL BATTERIES OF JOHN AND BARBARA BELLUARDO AFTER OCTOBER, 1993

1. During the years following the execution of the 1993 financial documents, Respondents Liu, Mauer, Patel, Collins, Schreck, Perry, Mitchell and Liesner and their agents and contractors coerced Barbara and John to sign various fraudulent medical "Consent" forms purporting to authorize increasing poisonings and surgical batteries. Respondents committed said intentional poisonings, orally or by injection, with each Respondent aiding and abetting one another. In each instance said medical and pharmaceutical Respondents, with help from BAR members, set up the poisonings and batteries inflicted on John, Barbara and Lisa so as to appear consensual. Respondents' actions resulted in the prolonged decline of John Belluardo's mental abilities after 1993, culminating in his reckless or intentional murder on September 12, 2025 at the Manchur Respondents' KETTERING MEDICAL CENTER, under the supervision of Respondents Mauer, Manchur and Vanderhoff.
2. Respondents Liu, Mauer, Patel, Collins, Schreck, Perry, Kopp, Mitchell, Rockwood, and Liesner, under the supervision of Respondent Vanderhoff, aided and abetted by the pharmaceutical Respondent manufacturers, make a practice of rarely if ever addressing the cause of health problems, choosing instead to only mask symptoms. They maximize the toxic effects of the pharmaceuticals by inflicting or withdrawing them in a sudden manner and by rarely if ever attempting to avoid or even consider drug interactions.
3. Respondent Mauer administered or directed others to administer an enormous number of vaccinations, often on an annual or twice yearly schedule, to both John and Barbara during the years after 1993, resulting in an assortment of progressively more severe illnesses that were then followed by the administration of toxic pharmaceuticals.
4. In a similarly ulterior manner as Respondent Siefert does, the Manchur Respondents publicly voice a commitment to "continue providing high-quality, Christ-centered care to our communities." Such self-serving, false representations are often effective in coercing members of the professed Christian public, such as John and Barbara Belluardo, to sign so called "consent" forms without full prior disclosure of all material facts, trusting Respondents' Christian or "professional" appearances as inducements to accepting Respondents' pharmaceutical poisons and mutilative surgical wounds. Respondents Liu, Mauer, Patel, Collins, Schreck, Mitchell, Perry and Liesner also, for financial gain, use scare tactics and deception to divert Christians from the Creator's non-toxic, non-mutilative instructions for healing such as those described at Genesis 1:29-30 and copiously throughout the New Testament.
5. (a) Respondents Soriot, Birch and other pharmaceutical Respondents, their agents and contractors are in the business of generating revenue by manufacturing toxins that reduce the mental functioning of the population, including without limitation, Claimants' decedent, John Belluardo. Said business plan, aided and abetted by Respondents Mauer, Manchur, and other medical Respondents, had for many years after 1993 been targeting Claimants' decedent, John Belluardo, by prescribing such pharmaceutical poisons as Crestor, manufactured by agents of the legal fiction known as ASTRA ZENECA, controlled by Respondent Soriot, and Levothroid, manufactured by LLOYDS PHARMACEUTICALS, controlled by Respondent Birch.

(b) Respondents' manufacture and prescribing of Levothroid for both Claimants' decedent, John, and for Claimant Lisa, induced hypothyroidism in both. John also acquired stage 3 chronic kidney disease from Respondent Maurer's prescribing of allopurinol for gout, also a common effect of John's daily ingestion of aspirin, a practice approved by Respondent Mauer. Respondents' prescribing of toxic substances produces new symptoms, which then are used as justification for the prescribing of new toxins, resulting in vicious but very predictable cycles of pain, disability, and death.

6. In 2011 Respondent Perry severely and unnecessarily injured Claimant Barbara *via* dental procedures involving bone grafts. Claimant Keith Belluardo continues to seek the services of a specially trained dentist for Barbara in order to repair the damage and/or remove as much as possible the mercury amalgam and/or other toxins inflicted on her by said Respondent, his agents, employees, and contractors. Resulting harm to Claimant Barbara from Respondent Perry's batteries remains to this day.

7. By July, 2012, the medical and pharmaceutical Respondents' poisonings had reached the point that Claimant Barbara's immune system had become so compromised that she suffered from what was being called systemic herpes, particularly in her left eye, where it was called shingles. Between 2013 and 2017 and possibly as late as 2021, Respondent Kopp variously described the eye condition as an abrasion, cataract, glaucoma, recurrent iritis, among others, and prescribed corticosteroids and other types of eye drops, none of which did anything useful but which Respondent Kopp prescribed anyway, ignoring the likelihood of causing such toxic effects as blurred vision, eye irritation, punctate keratitis aka surface irritation, and conjunctival hiperemia aka redness, eye pain, itching, swelling of the eyelids, and increased sensitivity to light, as is common with the product known as Zirgan, manufactured and/or distributed by Respondent Saunders. Non-toxic approaches were never considered.

8. Despite the considerable body of medical evidence that biopsies spread cancer, and for no particular reason, in 2016 Respondent Mitchell did a fine needle aspiration biopsy of Barbara's thyroid at the Vanderhoff and Manchur controlled KETTERING MEDICAL CENTER. There was no follow up.

9. By 2017, when it had become obvious that the eye drops were counter-productive or useless, Respondent Rockwood performed eye surgery on Claimant Barbara at CLEVELAND CLINIC, controlled by Respondent Mihaljevic. Respondents Kopp and Rockwood continued to prescribe ineffective eye drops including, without limitation, a product known as Zirgan.

10. In February, 2020 Respondent Liesner performed a surgical removal of Claimant Barbara's ovaries for no discernible reason other than to be able to charge for a billable "service". Predictably, Respondent Liesner's actions caused Barbara enormous suffering because of disrupted hormone production, thereby affecting her entire body.

11. As summarized in paragraph IV(C)(3) hereinabove, for many years before, during, and after promoting the 2020 covid panic in Ohio, Respondents Vanderhoff, Mauer, Manchur and their accomplices, whose associated liabilities are described in the *Plaster v. DeWine* judgment (22 CRF-001; <https://occr2021.com/dockets/>), had been pressuring John and Barbara to submit to a large variety of injections of unknown types and toxicities. There is no scientific health benefit or immunity attributable to any form of vaccination, or injectable gene "therapy" by whatever name. Nevertheless Respondent

Mauer, under Vanderhoff's supervision, was successful at least some of the time in coercing John and Barbara to submit to various toxic injections, thereby harming them.

12. In January, 2022, Claimant Barbara experienced a period of weight loss and depression as persistent effects from Respondent Leisner's February, 2020 ovary removal surgery, among other causes. Respondents Mauer and Manchur took this opportunity to send Claimant Barbara to the Manchur-controlled facility known as KETTERING MEDICAL CENTER, resulting in the forcing of intravenous fluids and a feeding tube upon her. Later in January, 2022 Respondent Manchur's agents put Claimant Barbara on Respondent Murphy's Hospice plan at home to die with palliative care, subsidized by the Hospice portion of Medicare.

13. During the period of 2022 through 2025 Claimant Keith, by using only God given exercise routines and clean food and herbs, continued to restore a great deal of Barbara Belluardo's health, but she was not entirely detoxified from Respondents' pharmaceuticals, as she continued to experience the effects of many prior years of oral and injectable poisonings inflicted by Respondent Mauer, Vanderhoff, and others by means of the following, without limitation: Lowtensin (benazepril hydrochloride), manufactured and distributed by Respondent Kinney; Zyprexa, Ketorolac, Prevenar13, Tromethamine and Pregabalin, manufactured and distributed by Respondent Bourla; Pneumovax and Mirtazapine, manufactured and distributed by Respondent Davis; Tramadol manufactured and distributed by Respondent Francis; as well as a vast assortment of other drugs bearing a changing set of labels and manufactured and distributed by an assortment of toxin purveyors going by frequently changing corporate names. Among the names of the toxins with multiple distributors include without limitation - Fluzone, Methocarbamol, Shingrix, and Buspironeone aka Buspar. The use of all was subject to supervision by Respondent Vanderhoff.

14. Between January and June, of 2022, Claimant Keith took care of Claimant Barbara at home where she began to heal and gain weight. However, in June, 2022 Barbara broke her left hip, was again sent to the Manchur Respondents' KETTERING MEDICAL CENTER, where its contractors repaired the hip. Following surgery, the Manchur Respondents sent Barbara to WALNUT CREEK NURSING CENTER in Moraine Ohio, under the supervision of Respondents Vanderhoff and Krista Johnson, their agents and contractors. Said WALNUT CREEK Respondents immediately and frequently expressed their expectation that Claimant Barbara would not survive. However, Claimant Keith supervised Barbara's food quality and intake and exercise routines according to God's principles, thereby enabling her to walk out of the WALNUT CREEK facility on her own in September, 2022.

15. On or about March 16, 2025 Claimant Barbara broke her right ankle and had surgery to repair it on March 17, 2025 at KETTERING MEDICAL CENTER, a corporation controlled by Respondents Vanderhoff and Manchur. Prior to the surgery, the Manchur Respondents administered major sedatives to her because they are untrained in local anesthesia. They then decided to force a breathing machine upon her. At a certain point Claimant Barbara's blood pressure dropped so low that said Manchur Respondents would have succeeded in killing her, had Claimant Keith not been present to intervene by pointing out her dangerously falling blood pressure.

16. On or about March 20, 2025 the Manchur Respondents discharged and then transported Barbara to the facility known as CENTERVILLE HEALTH AND REHAB also doing business as FLYER 3 OPERATIONS HOLDINGS LLC, controlled by Respondents Hyman, Zanziper and Moerman and supervised by Respondents Vanderhoff and Johnson. On May 6, 2025 agents of the CENTERVILLE Respondents admitted that Claimant Barbara had fallen, but said nothing about her having broken her right hip in the fall. At this point, the previously injured eye was swollen shut. By May 27, 2025 the CENTERVILLE Respondents discharged Barbara to home, having refused to explain her inability to hold weight on the right leg, and without disclosing the right hip break due to the fall that said Respondents' negligence caused or exacerbated.

17. By June 3, 2025 Claimant Keith had taken his own steps to discover the right hip break and to schedule emergency surgery by 1 p.m. the same day. By June 6, 2025 Claimant Barbara was back home with Claimant Keith where she has been ever since, healing and detoxifying from years of poisonings.

18. As a result of Claimant Keith's efforts to use common sense based on God's rules of health, Claimant Barbara has been able to stop all pharmaceutical poisonings, and as of this date, she has been restored to sufficient physical resilience and strength that by age 82 she was able to complete several 5 kilometer races, accompanied by Claimant Keith Belluardo. Such abilities remain.

19. Barbara continues to progress in her recovery from Respondents' inflictions of pharmaceutical poisonings, surgical batteries, and attempted kidnappings and attempted murders. She remains unwilling to administer any property, and has delegated such activities to Claimant Keith Belluardo.

20. In the past and more recently, ever since Keith terminated their so called "services" on January 31, 2026, the JOHNSON and BAR member Respondents, their agents, and/or contractors, have been stalking and surveilling the Belluardo home. The Niedermier Respondents have also been stalking and surveilling the Belluardo home since at least February 1, 2023, when their trespass failed to result in the desired kidnapping outcome, but on February 10, 2026 Niedermier Respondent Lemons was sent out to again trespass upon the Belluardos' land and managed to talk her way into the family's home where Barbara was at home with a friend of the family. Again, the Niedermier Respondents were unsuccessful in their kidnap attempts but their past history and continuing corporate greed constitute evidence that they will not stop.

21. The Niedermier Respondents maintain a pattern and practice of utilizing the weaponized services of Respondent Streck, his agents and contractors, to use physical force in their trespasses and kidnappings of the elderly for the purpose of aiding and abetting in kidnaps for the purpose of enabling pharmaceutical poisonings and thievery. Such actions are also aimed at physically preventing Claimant Keith from continuing to care for Barbara, his mother, and serve as a pretext for Respondent Streck to kidnap Claimant Keith as well from his home, thereby enabling Respondents Brannon and his BAR member accomplices to steal Claimants' home and contents.

D. KIDNAPPINGS; PHARMACEUTICAL POISONINGS AND SURGICAL BATTERIES OF CLAIMANT Lisa Belluardo.

1. During the post-1993 period through to the present, Respondent Vanderhoff and his accomplices have been using Claimant Lisa's pharmaceutically induced vulnerabilities to justify kidnappings and additional pharmaceutical poisonings, for profit.

2. Since at least the mid 1990's, under the supervision of Respondents Vanderhoff, Brannon and McConnell, their agents and contractors including without limitation Respondents Strahm and later Brose, have been aiding and abetting one another in the kidnapping, forced drugging and lockup of Claimant Lisa Belluardo in order to bill for non-consensual "services" they force upon her against her clearly expressed will.

3. By 2021, Respondents Brannon, McConnell, Strahm, Brose, their agents and contractors were aiding and abetting in the publishing of public documents encouraging people to fill out forms using the all capital version of their names, for the purpose of lockups and forced druggings of targeted others in the guise of helping them. Claimants' decedent, while himself coercively drugged, was duped by the ruse, filled out Respondents' forms, used the name JOHN BELLUARDO, and sought the title of "guardian" and with it, the continuing lockup and forced drugging of Claimant Lisa Belluardo. One of the early lockup facilities used against Claimant Lisa was EAST WAY BEHAVIORAL HEALTHCARE, under the supervision of corporate STATE OF OHIO Respondent Vanderhoff, among others. Claimant Lisa was force drugged there and elsewhere with pharmaceuticals manufactured by Respondent Duato and other pharmaceutical manufacturers and distributors.

4. Neither entitlement to a jury of one's peers nor any other aspect of corporate Constitutions, codes or "caselaw" was ever adequately explained to Claimants' decedent or to Claimant Lisa. Periodically BAR member Respondents McCollum and/or Brannon have been staging corporate legal procedures to generate corporate revenue and maintain the subjugation of Claimant Lisa to a series of forced druggings and involuntary lockups, which continue to this day and against her expressed will.

5. Claimant Lisa Belluardo wants to be freed from the captivity and forced drugging described hereinabove. However, Respondents Feltner, Vanderhoff, McConnell and Brannon, their agents, principals, affiliates, and contractors use violence for financial gain to interfere with such freedom by locking her up in an assortment of facilities, the most recent being Respondent Feltner's NEW LEBANON CARE AND REHABILITATION CENTER. Respondent Duato aids and abets in Lisa's poisoning by the manufacture of such highly dangerous and violence-enhancing toxins as the one known as Invega. Claimant Lisa is also being poisoned by such non psychiatric drugs as Levothroid, which has been causing her to suffer from hypothyroidism, just as it did when inflicted on Claimants' decedent, John Belluardo.

6. Claimant Keith Belluardo has offered similar Bible based health assistance to Lisa Belluardo as he is providing for Claimant Barbara, but such assistance is not possible given Lisa's current state of lockup as Respondents' prisoner.

E. RESPONDENTS' ROADWAY ORGAN HARVESTING SCAM IS A PUBLIC AND PRIVATE NUISANCE WHICH ALSO HARMS CLAIMANTS

1. Respondents Jones, Norman, Wilson, and Wadsworth, their agents, principals, and contractors, aid and abet a system of organ harvesting that harms Ohio travelers on the

public roadways. The operation consists of a check-the-box procedure supposedly indicating consent to organ extraction. Said engineered "consent" includes no prior disclosure to any so called "donor" of any material facts, including without limitation, the fact that such "donations" are imposed while the so-called "donor" is still alive and feeling pain. Said Respondents likewise fail to disclose that they count as "consent" a checked box, even if followed by years of "donor" refusals to check the box during renewals of the unnecessary corporate permission slip known as a "license".

2. In the course of extorting the signatures of, and fees from most members of the adult Ohio public, including at various times, Claimants Keith and Barbara Belluardo, for purposes of issuing unnecessary "driver's licenses", Respondents Jones, Norman, and Wilson, have been running their organ harvesting operations aided and abetted by Respondents Wadsworth, Vanderhoff, Manchur, Mihaljevic, their agents and contractors.

V. FEE SCHEDULE AND INJUNCTIVE RELIEF

A. PURPOSES OF FEE SCHEDULE. 1. Monetary liabilities supporting the within fee schedule are based on Respondents' multiple tortious acts, crimes, and trespasses committed and continuing to be committed against Claimants Lisa and Barbara, as well as having been committed in the past against their decedent, John Belluardo. Said liabilities are as to each Respondent, his agents, principals and contractors, individually as living men and women and not as corporate actors, not based on any theory of *respondeat superior* or the state of solvency of any corporate principal.

2. Provisions for injunctive relief by contractual agreement, are included in this Fee Schedule for the purpose of avoiding any continuation of threatened or future harm, loss or injury to the living Claimants from Respondents. Injunctive relief is in addition to and not in substitution for the monetary compensation to which Claimants are entitled, and for the purpose of causing each Respondent to cease and desist in causing further loss or harm to a. Claimant Barbara, who is recuperating from past poisonings and batteries which Respondents have committed against her, to b. Claimant Keith, who cares for her, and to c. Claimant Lisa, who continues to be forcibly poisoned and kidnapped.

B. INJUNCTIVE RELIEF: Upon a finding, admission, or judgment, Respondents agree that each should be enjoined from making further attempts, threats, or completed acts of kidnapping or murder against Claimants. Respondents shall each be ENJOINED from carrying firearms or other weapons of any type, committing further acts of thievery of Claimants' assets, or committing additional common law batteries, whether armed or unarmed, completed or attempted trespasses, extortion or thievery against any of the Claimants based on any pretext whatever. Respondents should further be enjoined from causing injury, harm, or loss to any man or woman enforcing any contract between Claimants and Respondents or interfering with any Judgment of any Court of record.

C. CRIMINAL SANCTIONS: Upon Respondent failures to provide sufficient responses despite three opportunities to do so, the facts established by the resulting contract or judgment as set forth by means of the procedures described hereinabove, will have been proven beyond a reasonable doubt as well as by a preponderance of the evidence. In the event that all Respondents cease and desist in their attacks and threats

against Claimants, such fact may be considered in suspending the imposition of criminal penalties as to some of said Respondents.

D. PRESENT VALUE OF DECEDENT'S STOLEN PROPERTY: Monetary judgment should be granted to Claimants against the JOHNSON Respondents and Respondent Tandy in the current sum of \$2,799,140. UNITED STATES DOLLARS, said sum being the adjusted value of Belluardo family assets as of June, 2014.

E. COMPENSATION FOR PROLONGED TORTURE AND MURDER OF John Belluardo should be in the sum of Five Hundred Thousand UNITED STATES dollars Each Respondent shall be jointly and severally liable for said sum upon any contractual finding or judgment of liability.

F. COMPENSATION FOR PAST ACTS OF PROLONGED ATTEMPTED MURDER AND MAIMING OF Barbara Belluardo shall be in the sum of Three Hundred Thousand UNITED STATES dollars. Each Respondent shall be jointly and severally liable for said sum upon any contractual finding or judgment of liability.

G. COMPENSATION FOR PAST ACTS OF KIDNAPPING, PROLONGED TORTURE, PROLONGED ATTEMPTED MURDER AND MAIMING OF Lisa Belluardo shall be in the sum of Four Hundred Thousand UNITED STATES dollars to date plus \$1000 per day for each day of kidnapping and forced drugging that she suffers from the date of service of this Notice of Liability onward. Each Respondent shall be jointly and severally liable for said sum upon any contractual finding or judgment of liability.

H. PAST ACTS OF TRESPASS upon Claimants' private property where Claimants Keith and Barbara make their home shall be compensated in the sum of \$20,000 UNITED STATES dollars and increasing per occurrence. Each Respondent shall be jointly and severally liable for said sum upon any contractual finding or judgment of liability for the two acts of trespass to date committed by Respondents Lemons and Niedermier against Claimants Keith and Barbara.

I. THREATENED ACTS OF TRESPASS upon Claimants' private property land in the future carry financial charges in UNITED STATES dollars, as defined hereinabove and as follows:

1. First trespass: Twenty Thousand UNITED STATES dollars;
2. Second trespass: Thirty Thousand UNITED STATES dollars;
3. Third trespass: Fifty Thousand UNITED STATES dollars.

J. THREATS OF ATTEMPTED MURDER, THIEVERY, KIDNAPPING, OR REFUSAL TO STOP TRESPASSING, upon a finding, admission, contract or judgment affirming that Respondents committed or attempted to commit acts of extortion, thievery, trespass, kidnapping, murder, attempted murder, pharmaceutical poisonings, or surgical batteries including without limitation the torture of organ harvesting, the parties agree that Claimants are entitled to judgment and monetary compensation for each such act on behalf of each injured Claimant in the sum of \$5,000.00 UNITED STATES Dollars per day, from the date that this Notice is received until Respondents' tortious conduct ceases. Each Respondent shall be jointly and severally liable for said daily sum of \$5,000.00 UNITED STATES Dollars.

K. FAILURE TO PAY: In the case of failure to pay any fees within thirty (30) days of presentment of a Bill following the entering of a Binding Judgment, Respondents each agree that his or her property wherever situated is subject to lien, levy, distraint, distress, certificate of exigency, impound, execution, his or her income subject to garnishment, and all other lawful, equitable, and/or commercial remedies, including without limitation, injunction and ejection.

L. ABSOLUTION OF LIABILITY: Each Respondent shall be prohibited from directly or indirectly seeking recoupment of losses incurred by Claimants due to any terms of this Contract, from his or her customers, constituents, or members of the public at large. Any Respondent will be absolved of all liability, including all outstanding amounts billed, when he or she ceases aiding and abetting in the continuing acts of common law extortion, thievery, battery, kidnapping, or attempted or completed murder and/or threats of organ harvesting directed to any of the Claimants.

CLAIMANT'S SWORN DECLARATION

The undersigned Keith Belluardo, Claimant above named, having first affirmed the truth of his statements contained herein under penalty of perjury, states as follows:

Status and Standing

1. Claimant Keith Belluardo, the living man, has been found to have come of full legal age, and is competent to state the matters set forth herein.
2. He has first-hand knowledge of the evidence supporting the facts stated herein.
3. All the facts herein are true, correct, complete and admissible as evidence, and are supported by his own personal knowledge and documentary evidence.
4. Terms not otherwise defined herein shall have the meanings ascribed to such terms as set forth at Sec. I(A) of the Notice to which this Affidavit is attached.
5. Claimant hereby reserves his acknowledged and God given right to "define the moral, political, and legal character" of his life, as is conceded in the corporate legal system to be among the rights of the people, according William Clinton's Executive Order 13132 Sec. 2(d) (8/10/99).
6. None of the Claimants is a legal fiction "citizen", "person", "resident" or employee of the entity variously known as STATE OF OHIO, its subsidiaries, affiliates, franchisees or contractors, whether or not known by other names and legal fictions.
7. Claimant Keith Belluardo has rescinded by separate Notice, all voter registration documents he may have ever unwittingly signed. Claimant has never knowingly participated in any election for U.S. senator or any other act which could conceivably support any false presumption that he is or ever was a 14th Amendment legal fiction U.S. citizen. Corporations in any event cannot have citizens.

8. None of the Claimants may be considered to be chattel property, employee or contractor of the STATE OF OHIO corporation or of any other affiliate or subsidiary of the cabal of corporations known as GOVERNMENT OF THE UNITED STATES, or of any other corporate governmental entity.
9. Claimants each reserve his or her respective right to choose when to allow his or her all caps name entity to be in contract with a corporation and when to refuse to do so. *Merrion v. Jicarilla Apache Tribe*, 455 U.S. 130, 144-148 (1982).
10. Claimants hereby affirm that none of them lives or works in any federal territory of the District of Columbia, of the corporate "UNITED STATES" or any of its subsidiaries, including without limitation STATE OF OHIO. No statutes of UNITED STATES or of its subsidiary, STATE OF OHIO, have any authority over either Claimant outside federal corporate territory. The use by Claimant, of the UNITED STATES POSTAL SERVICE or UNITED STATES POST OFFICE to receive or send mail does not place any Claimant in any federal zone nor federal corporate jurisdiction.
11. Claimants hereby waive, cancel, repudiate, and refuse to knowingly accept any alleged "benefit" or gratuity associated with any "license", number, or certificate any of them has been coerced to accept. Claimant Keith has previously revoked and rescinded any presumed effect of his signature on any document without his prior informed consent.
12. Claimant hereby affixes his own autograph upon all the affirmations in this document with explicit reservation of all his God given freedoms, his unalienable rights and his specific common law right not to be bound by any contract or obligation which he has not entered knowingly, willingly, voluntarily, and without misrepresentation, duress, or coercion.
13. Claimant Keith Belluardo has already rebutted by separate document, any presumptions which may have been deemed to have been created by the birth documents created after his birth.
14. Claimant Keith Belluardo rarely uses any identification number from any government corporation and only does so for informational purposes and under duress because of the extreme inconvenience of operating without such number in today's marketplace. The use by Claimant of any such number is not out of a desire to participate in the corporate system.
15. Claimants use Federal Reserve Notes to discharge debt only because they have no access to any widely recognized currency. Their use thereof does not make them sureties for any legal fiction.
16. Any use Claimants make of any bank account, and any signature they have been coerced to provide to obtain one is due to the absence of reasonable alternatives. Claimant Keith Belluardo hereby rebuts any presumptions that others may create as a result of any hidden contract supposedly created by any signature he may have provided in connection with securing any such account. Claimant refuses to be obligated to fulfill any hidden or unrevealed contracts whatsoever, due to the absence of full disclosure and voluntary consent.

17. Any tax returns Claimant may have filed in the past, were filed due to the atmosphere of fear and intimidation created by Respondent tax collectors or by other agents of the corporate state; not because there is any law requiring Claimant to do so.

18. Any use that Claimants Keith, Lisa or Barbara Belluardo have ever made of a "driver's license" has been under duress. There is no legal requirement for any Claimant to have such a license to exercise the freedom to travel for any purpose. However, because of the lack of education and well known armed violence of code enforcement agents known as "police" or "sheriff", any use that any Claimant has ever made of a license was exclusively for the purpose of avoiding being subjected to harassment or injury. None of Claimants has ever knowingly agreed to be an organ donor.

19. Any document that any Claimant may have ever signed, in which he or she answered "yes" to the question, "Are you a U.S. citizen?" cannot be used to compromise his or her status, nor obligate him or her to perform in any manner. Without full written disclosure of the definition and consequences of such supposed "citizenship," provided to Claimants via document bearing each Claimant's autograph given freely without misrepresentation or coercion, there can be no legally binding contract to act as such "U.S. citizen".

20. Since no hidden, unrevealed, and undisclosed information, if it exists, can be lawfully held to be binding, all certificates and registrations, such as marriage or birth certificates, along with any presumptions which may be deemed created thereby, are null, void, and of no effect.

21. The attendance of any of the Claimants in corporate government-supported "public" schools or government-controlled "private" schools does not create any tax or other obligation for any such Claimant, because none of the Claimants ever signed a contract agreeing to such obligation for the coerced so-called "benefit" of public school attendance. Any Claimant's use of such alleged "benefits", if any, has been under duress only, and with full reservation of all of his or her God given freedoms. Claimants have waived none of his or her intrinsic rights or freedoms by his or her use thereof.

22. Claimants agree to the Fee Schedule set forth hereinabove to compensate them for the injury, harm or loss with which Respondents have caused them or which said Respondents threaten to continue to cause Claimants.

23. Authorization for sharing of personal and private information may only be given by the originator and subject of that information. That authorization is hereby denied and refused with regard to the Claimants described herein.

24. Claimant Keith Belluardo hereby affixes his autograph to all affirmations in this Notice with explicit reservation and retention of all unalienable rights and the God given freedoms not to be bound by any contract or obligation not entered into knowingly, willingly, voluntarily, and without misrepresentation, duress, or coercion. Any use of a notary public in the past or future is for identification, and such use does not grant any jurisdiction to anyone.
